BRING A TOUCH OF MAGIC TO  
YOUR NEXT GATHERING

---

WHAT TO EXPECT →

Whether you're hosting an intimate evening with friends or a larger celebration, here is how the experience unfolds:

We bring the atmosphere to you. We provide a table display—including linens, crystals, candlelight, several decks, a table and two chairs—to create a dedicated "mystic nook" in your home or venue.

---

Each guest typically receives a 15 to 20-minute private session. This is the perfect amount of time to dive into a specific question or explore a general "check-in" with the cards.

---

Simply reach out with your event date and estimated guest count. A non-refundable deposit is required to secure your spot on our calendar.

YOUR  
READER

Colleen is a born Claircognizant and Clairsentient Intuitive who specializes in bridging the gap between the mystical and the practical. Her readings are accessible, encouraging, and relevant to your everyday life. She offers Grounded Guidance—insights that feel less like 'fortune telling' and more like a supportive conversation with an old friend. She is kind, light-hearted and down to earth, ensuring that guests leave feeling supported and inspired.
