

# Sand And Sage Sports Car Club

## Event Technical inspection Form

**This is a self-check and it is your responsibility to perform**

It is not necessary to present this form at time of registration, you are agreeing to perform these checks and that you and your car meet the requirements

Do you possess a Valid Driver License? Yes No

Are you at least 18 years of age? Yes No

**(Minors may participate in the event with parent or guardian authorization)**

Are you authorized to use the vehicle and equipment for a motorsports event? Yes No

---

### **Technical Inspection (to be certified by vehicle owner and/or primary operator):**

#### **Exterior:**

- ✓ Car numbers must be clearly visible and contrasting to vehicle color • No loose body parts, wheel trim rings or hubcaps • All underbody components not hanging or dragging

#### **Interior and trunk:**

- ✓ All loose objects removed • Spare tire removed or permanently secured • Seat belts in good condition and operational • Driver's seat firmly secured • No unsecured items which may leave the vehicle during motion • Visibility from driver location is not obscured in any direction by excessive obstruction or glass damage

#### **Under hood:**

- ✓ Accelerator return spring operational, if it exists • **Battery secure • No fluid leaks** • Hood, door and trunk/hatch latches secure • All engine belts in place and in good condition • Positive battery terminal covered

#### **Suspension and brakes:**

- ✓ Brake fluid level within specifications • Brake pedal height and firmness within manufacturer specifications • All lug nuts and studs present and **torqued** to proper specifications • Tire condition (including sidewall) in good condition • Wheels in good condition – no damage that may affect performance or integrity • Brake components and moving suspension parts in good condition with no excessive slack

#### **Class Specific Modifications:**

- ✓ A vehicle may be modified to the limit of the classing rules specific to the class the vehicle is being competed in. All modifications must be made in a safe manner within the spirit of the rules for the class. Any vehicle determined to be modified beyond the class it is competing in will be re-classed (if possible) or disqualified (if necessary). A driver determined to be misleading or deceiving may be disqualified.

#### **Driver Preparedness:**

- ✓ Helmet – DOT rated or better (Snell SA2010 or newer preferred) • Driver must be physically able to react appropriately in the event of a loss of vehicle control (no significant physical or mental impairment)

**Please Note:** You and your vehicle must meet the requirements of this Tech Inspection on the DAY OF THE EVENT. All vehicles and drivers are subject to inspection by club officers or the chief of technical inspection at any time.

**Liability Waiver:** Motorsport activities are inherently dangerous. All participants and attendees are responsible for their own safety and behavior. All published and announced rules including those given in the safety briefing, and/or given by course workers or event organizers must be followed. All participants certify that they have inspected any car that they may drive in the event, acknowledge that the condition of said car is their sole responsibility, assert that said car is compliant with all technical requirements, and agree to hold harmless the Sand and Sage Sports Car Club, the Red Mountain Event Center, the City of West Richland, its officers and directors, event organizers, and event participants from any liability associated with this event.

Your online or on-site registration for an event is your acknowledgement of all event requirements including, but not limited to the specifics of this form. Failure by the club to make this form available to all participants does not release the participant from the responsibilities detailed herein.
