

TECHNICIAN TRAINEE

PAY: \$18-\$20 PER HOUR | LOCATION: MELBOURNE, FL

1. WHAT YOU'LL DO

- Walk on RV roofs for inspections and basic work.
- Assist technicians with repairs, installations, diagnostics, and general RV service work.
- Learn proper repair procedures, tool use, safety practices, and RV systems through hands-on training.

2. TRAINING & GROWTH OPPORTUNITY

We'll train the right person to develop into a skilled RV technician. This is a hands-on position designed for someone who wants to build a long-term trade career and grow with the company.

3. PERFECT FOR SOMEONE WHO

- Likes hands-on work and learning how things are built, repaired, and installed.
- Enjoys solving problems and working through mechanical or construction-related tasks.
- Wants to grow into a skilled trade career in the RV industry.

4. WHAT WE'RE LOOKING FOR

- Construction skills and working knowledge are required.
- Strong practical judgment, problem-solving ability, and the ability to think through tasks independently.
- Some previous RV experience is preferred and appreciated, but not required.
- Comfortable working outdoors and in a shop environment.
- Able to climb ladders and safely work on RV rooftops.
- Team player with a strong work ethic and professional attitude.
- Dependable, willing to learn, and able to follow instructions while taking initiative when appropriate.
