Please note that all shoes and uniforms will have to be ordered in for you. As the factory and warehouse close down from mid December through to mid January, it may take up to four weeks to get your stock delivered (MDS Custom Wear will take longer). This is entirely normal for such a busy time of year, therefore we recommend getting in early to increase your chances of having your items in time for the first lesson.

We thank you for paying for your stock up front in full at the time of ordering.
