A Message for Students

The first step to becoming a successful dancer is making a solid commitment to your classes. Strong technique is a key ingredient and class is where you develop that technique. Come to each class prepared to learn and without personal distractions.

Class time is your chance to focus on yourself, so try to leave your concerns or worries at the studio door. True progress is made when you look at each class as an opportunity to become better at what you love to do. Dance full-out, stretch a little farther, become more aware of your technique, and make the most of every class. Our studio is a safe place for you to be yourself.

Respect for the teachers is essential. Listen to each correction given, whether it's directed at you or another dancer. A correction is an honour; it shows you how much a teacher cares about your progress.

Nothing can stop those students who apply themselves in every class and appreciate their teachers' knowledge and experience.

A Message for Parents

We believe that children's success depends on the support of their parents or guardians. Our programs rely on a positive atmosphere and educational experience for our students and their parents. Cooperation between all parents is expected.

Showing respect—for other parents, the students, and our staff — makes an important impression on the children. You are a role model for your child on how to interact with others in a professional setting.

Some parents may compare their child's progress or class placement to another child's. Watch for this behaviour in your children as well and encourage them to focus instead on their own accomplishments. Looking to other students for inspiration is good; however, making negative comparisons distracts children from focusing on becoming stronger dancers.

Your child's attendance at all classes is imperative. The spirit of teamwork and the lesson of dedication are a big part of our studio's education process.

Parents and teachers may look at a child's learning from different perspectives. However, we believe they share a common goal: to ensure that every child receives the best possible training, both physically and mentally. Mutual respect among our staff and our students' parents provides the children with the ultimate care and education.

Our Philosophy

With a focus on fun, technique, versatility and excellence, Melissa's Dance Studio and our team of qualified staff are committed to creating a safe and nurturing environment where students are encouraged to work hard and develop a love of the performing arts.

We believe that dance training encourages young people to develop a positive self-image. Along with improving coordination skills and developing muscular awareness, dance classes give children the freedom to express themselves through movement whilst learning valuable lessons about respect, commitment, discipline and team work.

The highest educational standards are expected from all MDS staff members. They are lifelong learners who continue to educate themselves through certification programs, teacher-training schools, conferences, online courses and other learning opportunities.

At MDS, our classes are designed to stimulate the enjoyment of dance while laying an important foundation for further training. As the student advances, the variety and intensity of the class work increases. Optional exams in ballet, tap and jazz give students markers of their progress and can lead to internationally-recognised qualifications.

Meet our Director

MELISSA BROWN

In 2001, Melissa embarked on an exciting journey by starting her own dance studio, MDS. Fuelled by her passion for teaching, she began with a small group of 80 students who shared her love for dance. Little did she know that her dedication and unique teaching style would quickly make MDS a hotspot for aspiring dancers in Griffith.

Within just two years, MDS saw tremendous growth, with the number of students soaring to an impressive 200. It was evident that Melissa's approach to teaching brought a breath of fresh air to the local dance community. Her commitment to staying ahead of the game led her to pursue further education, obtaining a Cert IV in Dance Teaching and Management at the Australian Dance Institute.

Melissa's students have gone on to dance at RAW Dance Company, Brisbane and Brent St studios in Sydney.

As a member of the Australian Teachers of Dancing (ATOD), Melissa's students have thrived in competitions and exams, showcasing the exceptional training they receive at MDS. Many have even gone on to train with renowned dance companies like Raw Dance Company, Transit Dance Origins Program, and the prestigious Brent St. Moreover, Melissa takes great pride in the fact that her students have also pursued their passion by studying Cert IV Dance Teaching themselves, a testament to her effectiveness as an instructor.

One of Melissa's notable achievements is being the teacher of the popular preschool dance program Ready Set Dance. Her outstanding dedication and teaching expertise led to MDS winning the Studio Growth award in 2019 and the Magical Moments award in 2023. In 2024, Melissa was a finalist in Teacher of the Year, and the studio was a finalist in the Regional Studio of the Year as well as a finalist in the Community Excellence Award.

Melissa has been deeply involved in charity and community work. By organising and participating in local charity events such as Dancing With Our Stars and Dance for Cancer, Melissa and her students, together with other community members over the years, have raised hundreds of thousands of dollars for the local community.

However, what truly sets Melissa apart is her commitment to creating a strong sense of community and family within MDS. She firmly believes that every child should have the chance to dance and grow. At MDS, children are provided with a safe and nurturing environment in which they can learn, express themselves, and develop their dance skills.

At the Barre Griffith is yet another passion Melissa has brought to life, bringing the first Barre Pilates studio to Griffith. With the success of these adult fitness classes, Melissa has embarked on furthering her education in the Pilates field, and is a fully qualified Pilates instructor.

Melissa's journey with MDS is an inspiring one. Her passion for teaching, dedication to her own education, and the sense of community she has fostered at her dance studio have undoubtedly set her apart within the Griffith dance industry over the last 25 years. With Melissa at the helm, MDS continues to provide aspiring dancers with the opportunity to flourish and shine.

Class Descriptions

CLASSICAL BALLET	A technical and disciplined style of dance providing the basics of correct posture, co-ordination and strength. MDS follows the Australian Teachers of Dancing system of training. Exams are available by invitation.
JAZZ	Jazz can encompass everything from Broadway-style choreography to up-to-date commercial styles. A fun class and a great option for dancers of all ages. This is our recommendation for students new to dance.
TAP	Classes focus on technique as well as musicality, rhythm and style. Students learn the latest tap techniques in a fun class.
LYRICAL	A wide-ranging style that can encompass lyrical's soft flowing movements that tell a story through to the sharp and strong motions of contemporary. This is often a popular choice of class for those who want to add a second or third class but don't want to take ballet.
HIP HOP	One of our most popular class styles, hip hop is a modern street style that is fun and fast paced.
ACROBATICS	Designed to help students achieve strength, flexibility and acrobatic skills. Students will learn elements such as cartwheels, handstands, walkovers and balance skills.
MINI COMBO	A class designed specifically for our students starting Kindy at 'Big School' in 2026. This class is 60 minutes in length and encompasses both jazz and tap. Other Mini classes include ballet, hip hop & lyrical, perfectly timed in half hour classes.

Dance Classes for Preschoolers

The logo for "Ready Set Dance" features the words "READY SET" in a stylized font above the word "DANCE" in large, bold, yellow letters with a purple outline.	<p>Ready Set Dance is the most popular preschool activity across Australia, and MDS is proud to be your official location. It is endorsed by early learning experts with classes for 2-3 year olds & 4-5 year olds. These classes a combination of jazz, tap, singing and movement, working on the 3C's: Confidence, Co-Ordination and Creativity. We are now offering a level 3 class, for those attending school the following year, however dancers in that age group are welcome to continue with level 2.</p>
The logo for "Ready Set Ballet" features the words "READY SET" in a stylized font above the word "Ballet" in a large, pink, cursive font.	<p>Ready Set Ballet is a thirty minute magical ballet class for your preschooler. This classes uses gender neutral music with cues, props to enhance the learning experience and encourages children to use their imagination.</p>
The logo for "Ready Set Acro" features the words "READY SET" in a stylized font above the word "Acro" in a large, orange, bubbly font.	<p>A preschool acrobatic program designed with industry leader Acrobatic Arts. An emphasis is placed on safe and effective progressions to build strength, flexibility and skills.</p>
The logo for "Ready Set Move with me" features the words "READY SET" in a stylized font above the word "MOVE" in a large, green, bubbly font, with "with me" in a smaller font below it.	<p>A music and movement class for toddlers and their grownup. Engage, Explore and Express with your toddler in a 45 minute class full of fun and learning. This class is perfect for tiny dancers who aren't confident enough to take part without their trusted adult. (This class does not take part in our concerts)</p>

Class Placement & Ages

We feel it is important that children dance in the same age group as their friends and that they continue to progress together. This gives the student a sense of familiarity and keeps dance fun for them. For this reason we classify our age groups by the year of school the children are in:

Ready Set Move – 18 months–3 years

Ready Set Ballet – 2–5 years

Ready Set Acro – 2–5 years

Ready Set Dance Level 1 – 2–3 years

Ready Set Dance Level 2 – 4–5 years, those who are attending school in 2027 or 2028.

Ready Set Dance Level 3 – 5 years, or those attending Kindergarten in 2027

(children are able to do level 2 where the level 3 times don't suit)

Mini – Children in Kindergarten & Year 1

Junior – Children in Years 3 & 4

Intermediate/Snr – Children in Years 5, 6 & High School

In some cases, students may be placed in classes outside their age group. Decisions about class placement are based on the best interests of the student and the Director's decision is final. We do not feel a child should be placed in a particular group or class where it may have negative effect on self-esteem. Some students who are placed in a level higher than their ability can become discouraged, only to lose their passion for dance. Others respond to the challenge of being in a class with students who are more proficient by pushing themselves to work harder. We closely monitor all of our students as they progress throughout the year.

Please note timetable is subject to change dependent on class numbers.

Annual Concert

Our annual concerts are the culmination of each year and gives all students the opportunity to perform on stage in a professionally-equipped theatre. We hold two separate concerts - one for our preschoolers and two for our Mainstream students.

Our 2026 Preschool Concert will be held at the Griffith Regional Theatre in around the third weekend of November (TBC) Our Mainstream Concert will be the last Saturday in November, with two shows on the one day.

There are necessary costs involved in the production such as costume fees and concert pack. These are advised in a timely manner.

MDS is renowned for putting on a professional production each year. It is always a fun and stress free experience for all involved.

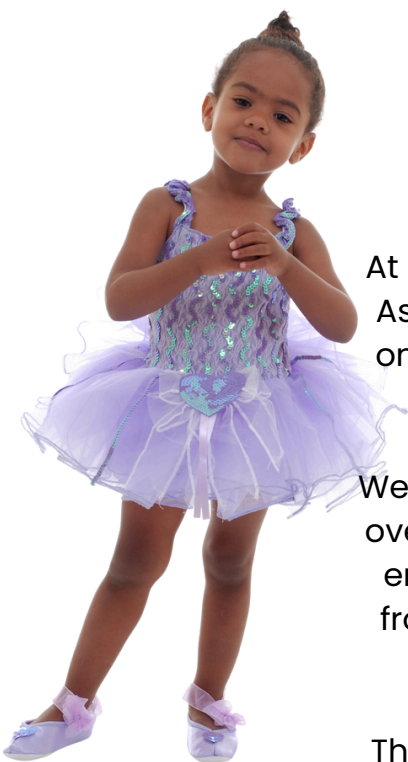

Our timeline of our concert preparation is as follows:

Term 2: Students commence learning their concert routines

Mid-End Term 2: Costume Deposit invoices are sent out and direct debits will be drawn on 1st July. This deposit is non refundable, however you will be given ample notice to opt in or out of the concert.

Mid Term 3: Remaining costume costs are invoiced and date set for direct debits to be withdrawn.

Term 4 Commencement: You will receive your concert guide which includes details of ticket sales, rehearsal and concert performances.

Costumes

At MDS we believe your costume is just as important as your performance! As such, we take great pride and care in selecting costumes that are not only appropriate for the routine but also ones that will stand out on stage and are flattering and age-appropriate for our students.

We source our costumes from a number of manufacturers both locally and overseas and don't believe it's in anyone's interest to scrimp on quality. We endeavour to keep our costume costs down, however costs do fluctuate from year to year due to influences beyond our control such as shipping, postage and handling.

The only other thing left to purchase for your costumes is stockings, which will be advised with plenty of notice for you to purchase through our dance wear store online.

FAQ

Can I do a trial before I enrol?

Absolutely yes! However for legal and safety reasons anyone participating in a trial class must still enrol online so we have all your child's important information readily available to us if we need to contact you. New students to MDS are welcome to trial as many classes as they like for 7 days for free. Please make a note on registration that you are trialling your chosen classes for a week. *(PN, this is open to new students only)*

Can parents and siblings watch class?

We don't allow anyone other than students in the studio during classes. Children tend to form bonds with their peers and their teacher quicker when it is just students and teacher in the room. We highly encourage a kiss and go procedure – quick kiss and hug from mum and off into class. If we implement this from the start, the easier it is on all!

How do I keep up to date with all the studio happenings?

We send out newsletters via email twice per term or as needed.

We also have a closed MDS Family Facebook group which will be up and running from mid January 2026.

We also have our studio social media accounts on Facebook and Instagram and love it when our parents & students tag us so we can share in your child's dance journey with us. Make sure we follow us so we can follow and tag you in your dancers photos.

Does MDS offer 'boys only' classes?

All of our classes are choreographed for boys and girls. If your son is concerned about dancing in a female dominated class, send him along with a friend. Our preschool program uses gender neutral music, and we take great care in selection of class choreography and music wherever boys are enrolled.

Can I do a makeup class if I am absent?

Yes. Find a similar class on the timetable and let the director know that you will be attending. Make up classes can be taken for missed classes due to illness, travel or personal reasons. Missed classes may be made up within the current term only. Refunds and credits will not be given if your child misses a class and doesn't attend a make up.

What if my child doesn't like a class?

We offer a money back guarantee on all weekly classes within the first two weeks of term. **See p29 for our refund policy.** It is important to know that at times young children will explore the limits of attending class and say they don't want to go. This period may occur anytime but is usually short-lived. Some ideas that might help you handle the situation: emphasise what the child is doing at the dance class rather than what you do while they are in class; avoid long good-byes; expect the tears and know that usually the tears are to make you feel guilty. They are always short lived once we start having fun!

Do timetables stay the same for the entire year?

Timetable may be subject to change depending on registrations. In the lead up to our concert some classes may be combined.

Are children supervised between classes?

For the most part yes, but there are times that our studio waiting room will be unattended, and as such MDS accepts no responsibility for students left waiting before or after their class times. Students must be collected promptly from studio door or waiting room.

Is there parking available?

Yes but we ask all parents to remember we are sharing our carpark with a number of other businesses. Please drive safely and ensure you are not blocking any driveways, roller door or entrances to our neighbours. The only allocated parking area for MDS is out the front in the carpark.
