## **Uniform Guidelines for Kiddies Planet at Soneike Private School**

At Kiddies Planet, a part of Soneike Private School, we foster a strong sense of identity and belonging through the consistent use of our school uniform. The following policy outlines the uniform requirements for different age groups within Kiddies Planet.

### **Age Groups and Uniform Requirements**

#### **Age 1-3 years (Optional Uniform)**

1. Wearing the official school uniform is optional for daily attendance in this age group.
2. **Mandatory Uniform Wear:** Children are required to wear the full Soneike Private School uniform for all special events, concerts, and school outings.

#### **Age 4 (Partial/Flexible Compulsory Uniform)**

1. Children in the Age 4 group are required to wear the school uniform, but with flexibility.
2. Students must always wear a Soneike Private School uniform top (e.g., track top, school t-shirt/polo).
3. Bottoms may be any comfortable, appropriate clothing (e.g., jeans, trousers, skirts, or school bottoms).

#### **Pre-Grade R (Compulsory Uniform)**

1. Children in the Pre-Grade R group must wear the full school uniform every day.
2. **General Guideline:** Any available Soneike Private School uniform item is acceptable for this group (e.g., no strict adherence to specific seasonal items is required, but the uniform must be worn).

#### **Grade R (Strictly Compulsory Uniform with Specific Guidelines)**

1. Children in Grade R must wear the full school uniform every day, strictly adhering to the specified uniform guidelines.
2. **Alignment:** The Grade R uniform requirements are fully aligned with, and follow all established guidelines for, the Soneike Private School Primary phase uniform.

By adhering to this uniform policy, we aim to promote a sense of unity, pride, and discipline among our students at Kiddies Planet.
