The application fee is non-refundable and payable when the student's application is completed and submitted to the school for consideration.

SEAT GUARANTEE DEPOSIT – Below non-refundable advance deposit due by October 1, 2024. This will secure the seat until 1st January, 2025, the fees payment deadline. Grade 8- 10	R 3000

Returning Student

Admission Deposit: All current parents must obtain an Soneike Private School Returning Fees Schedule Form from the School office for their child for the next year to complete, sign and return to the School as well as pay the admission deposit by 1st November. The Returning admission Deposit is R1000. The admission deposit is nonrefundable should your child leave the school after 1st November as this deposit books your child's place in the class next year and we turn away other students who want to enroll. The admission deposit goes towards the next year January school fees. The payment of the admission deposit ensures your child's admission to the school next year. We receive advance enrolments for grades which may result in a waiting list. Once we receive your admission deposit we will put your child

on the appropriate grade list for next year. E.g. January month school fees will be as follows: January school fees less R1000 due by 1 January.
