1. Enrolment Fees for New Students

- Application Fee: R700 (non-refundable) This fee covers the administrative costs of the admission process. Please note that paying this fee does not guarantee a successful application.
- Seat Guarantee Deposit: R2,000 (non-refundable) Due by July 1, 2025, to secure the seat until the tuition payment deadline on January 1, 2026. This deposit cannot be deducted from the tuition fee.
- **How the Seat Deposit Works**
- **New Students :** The seat deposit is part of the registration fee. The seat deposit serves an important role in our admissions process and contributes to creating a welcoming and well-prepared environment for new students.
- Purpose of the Seat Deposit: The seat deposit is utilized to confirm a student's enrollment at our school and helps ensure that families are committed to their child's education with us. By securing their spot, we can better plan for the upcoming academic year.
- Support for Admissions Activities: portion of the seat deposit supports various activities related to the admissions process, including staffing during open days, orientation sessions, and information events. This ensures that we have the necessary personnel available to provide valuable information and support to prospective families.
- Creating a Welcoming Environment: The funds from the seat deposit also contribute to preparing the school environment for new students, making sure that facilities and classrooms are updated and maintained to provide a fresh and inviting atmosphere.
