

## Wesley Nurse Corner

Dear Hondo Congregation and Community Members.

This month is "Christmas in God's Country". Our church committees have already started the planning. On Friday night we will participate in the "Non Profit" night with activities for the children. On Saturday we will section off the parking lot again and have the slide and activity stations set up. This includes giving out our bread and water at our booth. This is a great opportunity for the church to show who we are.

We are looking for members to join the Health Community, please reach out if you are interested.

We have registered for the Angel Tree program and will set up a tree with names in November. If anyone has a small Christmas tree to donate, please contact me.

People always ask; What is a Wesley Nurse? I have difficulty answering this question because it changes daily. Wesley Nurses are placed in communities to help the least served. Our mission is "Serving Humanity To Honor God". I feel very blessed to have a job that aligns with my beliefs.

National Night Out was a HUGE success. I wanted to share some pictures of that day with everyone. Watching these ladies hold up signs asking how we can pray for our community members was a moment I will never forget. Emily, Cora, Nihar and Lupe stood in the rain with a line forming so our community members can be prayed over.

Thank you for all you do to support me and the Wesley Nurse Program!!

God Bless,  
Barbara Brennan-West RN Wesley Nurse
