

A Spring Reflection Gathering

Join Us

for a reflective and creative gathering celebrating the beauty of the season and the promise of new possibilities

Tuesday, April 21, 2026
1:00 - 4:00 pm
OASIS Community Center

Welcome

We will each make our own nature-inspired centerpiece using flowers, greenery, stones, candles, and/or other meaningful items that represent renewal, growth, and fresh beginnings.

Gather/Create

We will go out and gather natural items for our displays. There is no cost; however, we will invite participants to donate meaningful seasonal items for the group to use for their displays (recommendations will be provided after registration).

Share

Following this activity, spiritual director Bobbi Edwards will guide us in a gentle witnessing and listening/guided meditation, honoring what the season of renewal reveals to us.

Space is limited.
