

ANGELS OF THE VALLEY

A Partnership With

Speak Up for Ben, Inc.

The Angels of the Valley banner project aims to raise awareness of the issue of drug overdose and reduce the stigma associated with people who have lost their lives due to the disease of substance abuse.

This project also recognizes the grief felt by families and friends in our community who have lost a loved one as a result of drug use. The banners signify the passing of someone cherished and sends a message that the tragedy of drug-related death is preventable, and those who are suffering should feel no shame in asking for help.

- Forms and photos can be emailed to info@artsquest.org or dropped off at the Banana Factory Arts Center during normal business hours.
