

ANGELS OF THE VALLEY

A Partnership with Speak Up for Ben, Inc.
and Lehigh Valley Health Network

Submissions Accepted Throughout July of Each Year

The *Angels of the Valley* banner project aims to raise awareness of the issue of drug overdose and reduce the stigma associated with people who have lost their lives due to the disease of substance abuse.

This project also recognizes the grief felt by families and friends in our community who have lost a loved one as a result of drug use. The banners signify the passing of someone cherished and sends a message that the tragedy of drug-related death is preventable, and those who are suffering should feel no shame in asking for help.

The banners are displayed at the SteelStacks campus of ArtsQuest in Bethlehem, PA from August 31 (international overdose awareness day) through September (National Recovery month).

Submit your loved one's information and photo electronically for the banner project. *Images must be a hi-resolution jpeg, tiff, bitmap, or PDF file; color and B&W are accepted.* Submission forms and photos may also be dropped off at the Banana Factory Arts Center during normal business hours.

Submission form available at:
