

Certified Family Recovery Specialist Services

As family members impacted by a loved one's substance use, our team has a personal understanding of the disease of addiction. We support and assist you in exploring multiple pathways to family recovery. *Certified Family Recovery Specialists receive comprehensive professional training for their credentialing by the Pennsylvania Certification Board.*

Understanding and Support

We provide peer-based support, education, and recovery-oriented resources to families and friends in a safe and confidential setting. We will help you move into and through the process of recovery from the effects of the family disease of addiction.

Connections to Resources

As part of the larger recovery community, we can identify and connect you and your family to a wide variety of resources best suited to your needs.
