

Have you or someone you know lost a loved one to a substance related cause?

While the pain of this loss will always be with us,
we do not have to walk through it alone.
Let us support and be there for each other in this time
of healing.

Recovery Revolution and Kainoa's Ohana is offering
a 6 week confidential grief support group for parents/caretakers
who have lost their child to an overdose.

There will be no cost to attend.
