

HOW CAN THE WOUNDS OF OUR HEARTS BE HEALED?

A Small Group for Bible-Based Trauma Healing

Please join our small healing group by engaging with Scripture and applying the best mental health principles to address spiritual and emotional wounds of the heart.

The group will be led by facilitators certified by the Trauma Healing Institute. We'll make a safe space to:

- Learn about trauma and its effects
- Discover what the Bible says about suffering
- Explore any trauma or loss you may be carrying
- Release some of the emotional pain you carry
- Help you get unstuck, reconnected, and move forward
- Build resilience for the future
