**12-Week Educational Series**

*January 29 through April 15, 2020*

*Wednesdays, 7:00 pm to 8:30 pm*

3410 Bath Pike, Bethlehem, PA 18017

Presented in partnership with the  
Bethlehem Parent & Family Support Group

## ***Description:***

This 12-week educational series teaches family and friends effective behavioral and motivational strategies for helping their addicted loved one and themselves. The communication strategies taught in this series are beneficial to you as a parent whether your loved one is in active use, recovery, incarcerated, living with or not living with you. Based on the recovery model outlined in the book "Beyond Addiction: How Science and Kindness Help People Change."

Instructor Kathy Strain is an Education Manager with Drug Free Workplace and a volunteer parent coach with Partnership for Drug Free Kids.

**Program registrations are currently at capacity.**
