

**FOR IMMEDIATE RELEASE**

**Commissioner Jennifer DeJournett Sworn-in for a Fourth Term and Elected As Vice Chair of the Three Rivers Park District Board of Commissioners**

Plymouth, MN – Commissioner Jennifer DeJournett of Maple Grove was sworn-in by The Honorable Judge Jamie Anderson on Thursday, January 5, 2023, for her fourth term on the Three Rivers Park District Board of Commissioners. DeJournett continues to represent District 2, which includes Brooklyn Park, Champlin, Dayton, Maple Grove and Osseo.

*“I am honored to have continued to earn the trust and support of the communities of Brooklyn Park, Champlin, Dayton, Maple Grove and Osseo to represent them for another term on the Three Rivers Park Board,” said DeJournett. “As a mom of four children, I know it is important to our entire community that our parks are safe, well maintained, and sustained for the future. I am looking forward to continuing to keep our beautiful regional park system strong and welcoming for all individuals, whether they are new to Minnesota or have been here for generations.”*

At the January 5 Board meeting, Commissioner DeJournett was also unanimously elected by her fellow Commissioners to serve as Vice Chair of the Three Rivers Board for 2023. At the same meeting, Commissioner John Gibbs was elected to serve as Board Chair.

Constituents can contact Commissioner DeJournett by phone at 612.384.1479 or by email at [Jennifer.DeJournett@ThreeRiversParks.org](mailto:Jennifer.DeJournett@ThreeRiversParks.org). Mail can be sent to: Commissioner Jennifer DeJournett, Three Rivers Park District, 3000 Xenium Lane N., Plymouth, MN 55441.

**About Three Rivers Park District:**

The Minnesota Legislature established Three Rivers Park District as an independent, special park district in 1957. Three Rivers Park District’s charge is to acquire, develop and maintain large park reserves and regional parks and trails for the citizens of suburban Hennepin County, the metro area, and the state. The Park District manages almost 27,000 acres of park reserves, regional parks, regional trails, and special-use facilities and serves over 12.5 million visitors annually.
