

Groupon Implant Deal

Thank you for choosing our Award Winning Dental Practice for your care.

Please note it is required for your Mouth to be in a state of Good Oral Health before implants can be recommended. We would be required to seek this confirmation from your dentist or you can have a full mouth examination with our dentist. A Hygienist visit may be recommended if the clinical need exists, to enable better soft tissue healing and short/long term success of Dental Implants. You have 7 days after the initial consultation to obtain a full refund of your Groupon Voucher, if required.

Basic Overview

Session 1

- 30 minutes
- Implant Assessment session for a missing tooth or maximum two teeth
- Includes one intraoral x-ray per site
- We will discuss what is required for the procedure of placing a dental implant, before commencing with any placement treatment.

Session 2

- 1 hour
- Implant Placement Surgery session
- Must be booked within 7 days from Session 1 Consultation or a full refund can be requested for the Voucher fee.

Session 3

- 1 hour
- Healing Abutment and Impression Phase

Session 4

- Restoration fitment phase

***Additional visits may be required without notice, as each case is individual.**

***If any patient misses an appointment or arrives late, or cancels their appointment without giving at least 48 hours notice, then additional charges would be applied.**

***We have a zero tolerance towards any form of abuse or duress being placed on our dentist or staff, especially regarding late or non-arrival.**

What is included?

- Implant Placement + Implant abutment + Porcelain Bonded crown
- Intraoral X-rays for Implant site during Implant Treatment

What is excluded?

- All other Treatments and Procedures (eg. OPG xray, CT scan, etc.)
- Full Mouth Examination

General Additional costs (subject to Clinical Assessment and prescription by our dentist)

- CT scan £125 per Arch by referral (if needed)
- CT scan discussion appointment £100 (if needed)
- Bone Augmentation (£350 upwards and only if needed)
- Sedation £190 (per 1 hour session. Recommended for patient comfort)
- All other costs would be given based on clinical findings

The type of Implant System used

- Implant Direct or Megagen or Ankylos or any Similar Implant system subject to the preference of our clinicians for the case.
- Our Clinician would make the decision on a case by case basis

We look forward to seeing you at your consultation.
