How much does it take
you to get drunk?

Are you a Wade Boggs
or Andre the Giant?

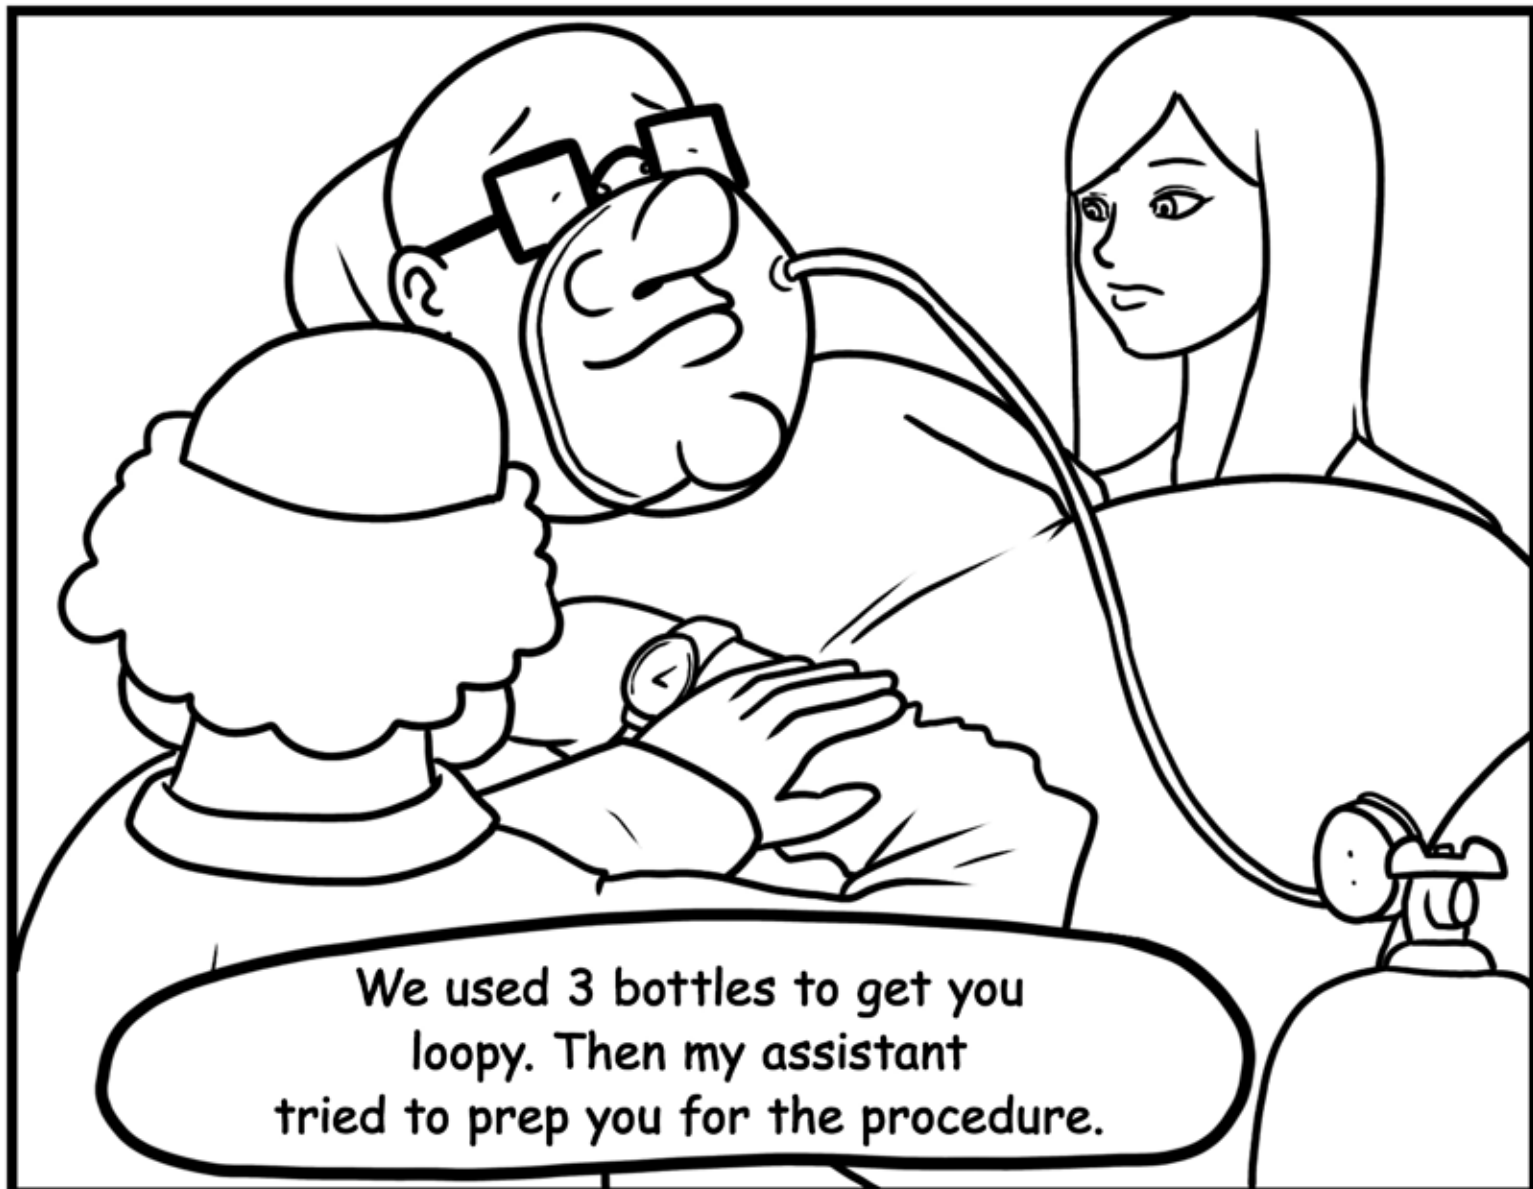

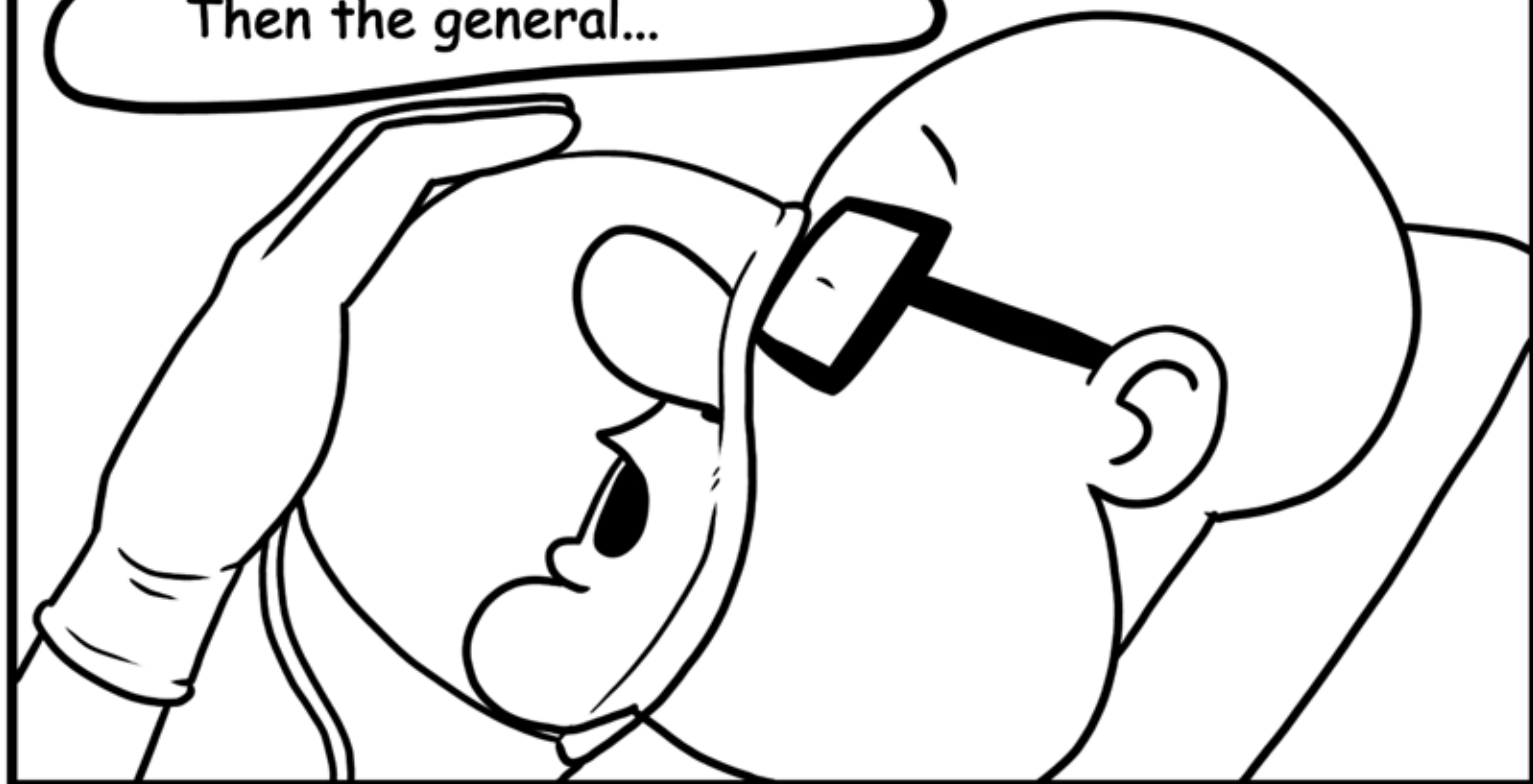

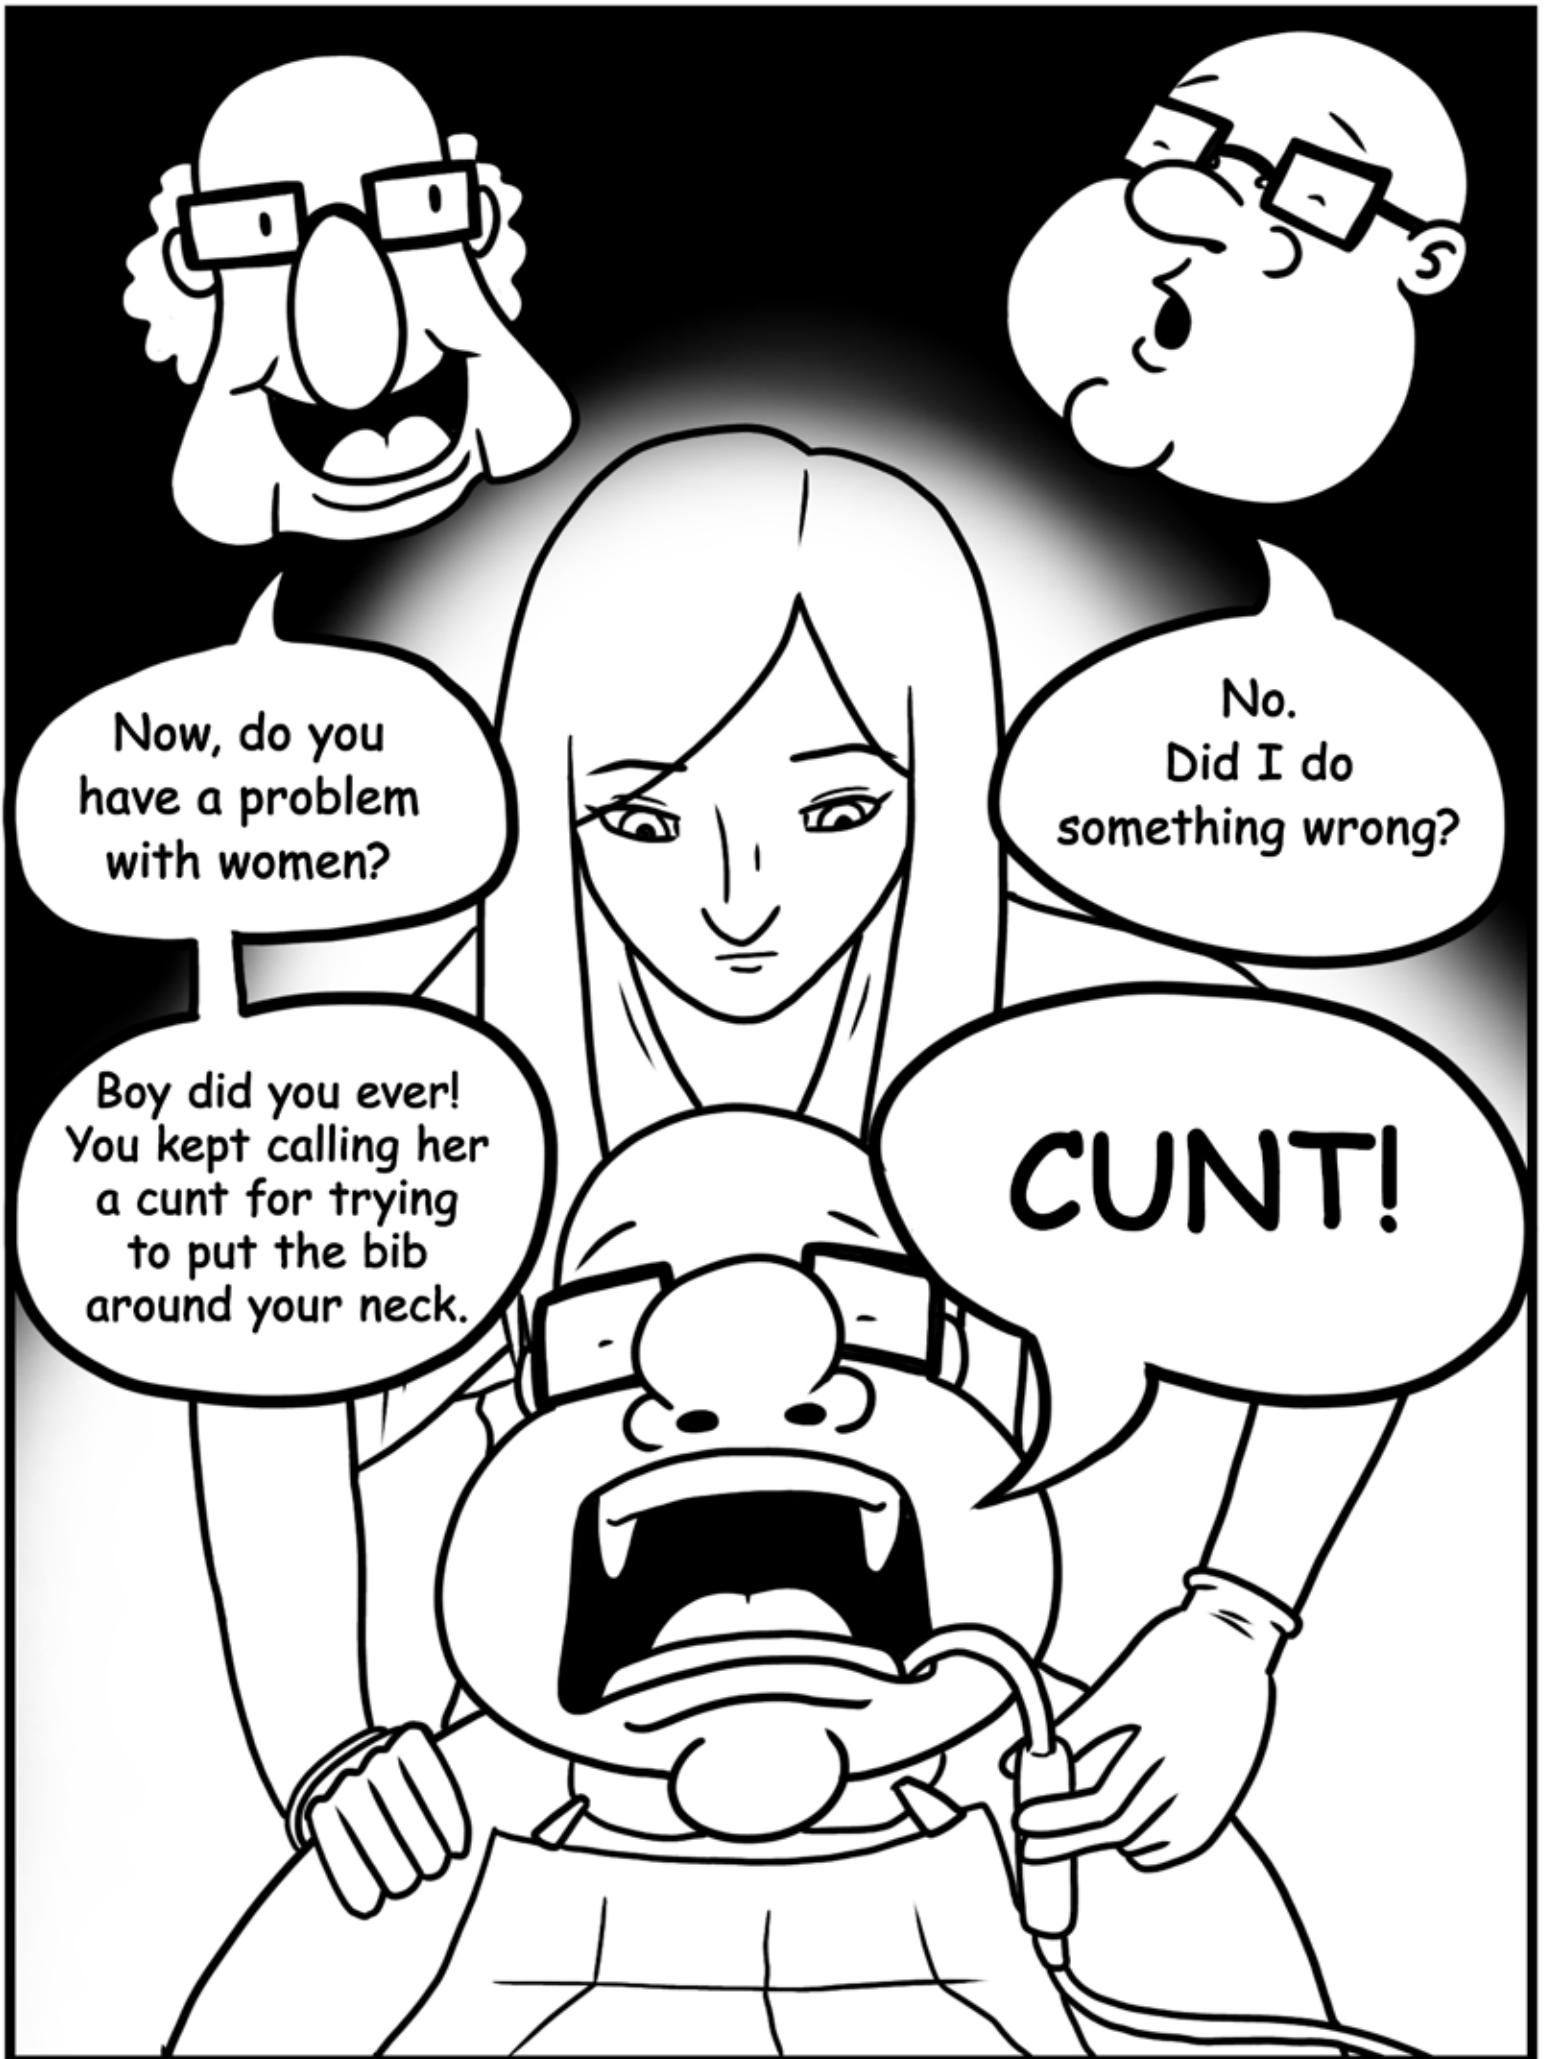

Sluggo,
have I got a story for you!
We gave you the local
anesthetic...

Then the general...

We used 3 bottles to get you loopy. Then my assistant tried to prep you for the procedure.

Now, do you have a problem with women?

No. Did I do something wrong?

Boy did you ever! You kept calling her a cunt for trying to put the bib around your neck.

CUNT!

And then when she tried
to put the suction tube
in your mouth, oh Slugger...
You tried slugging her!

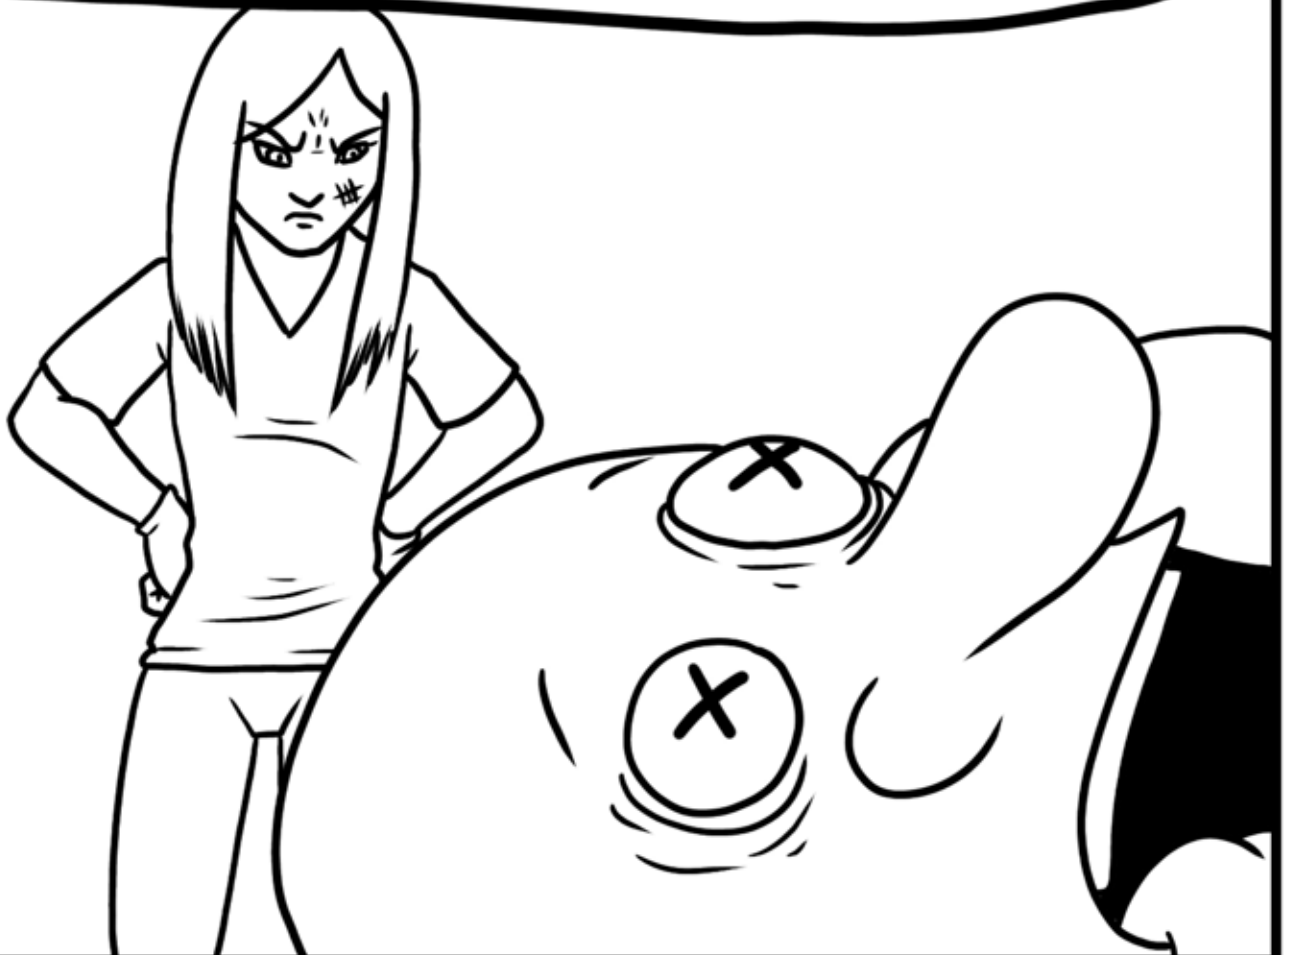

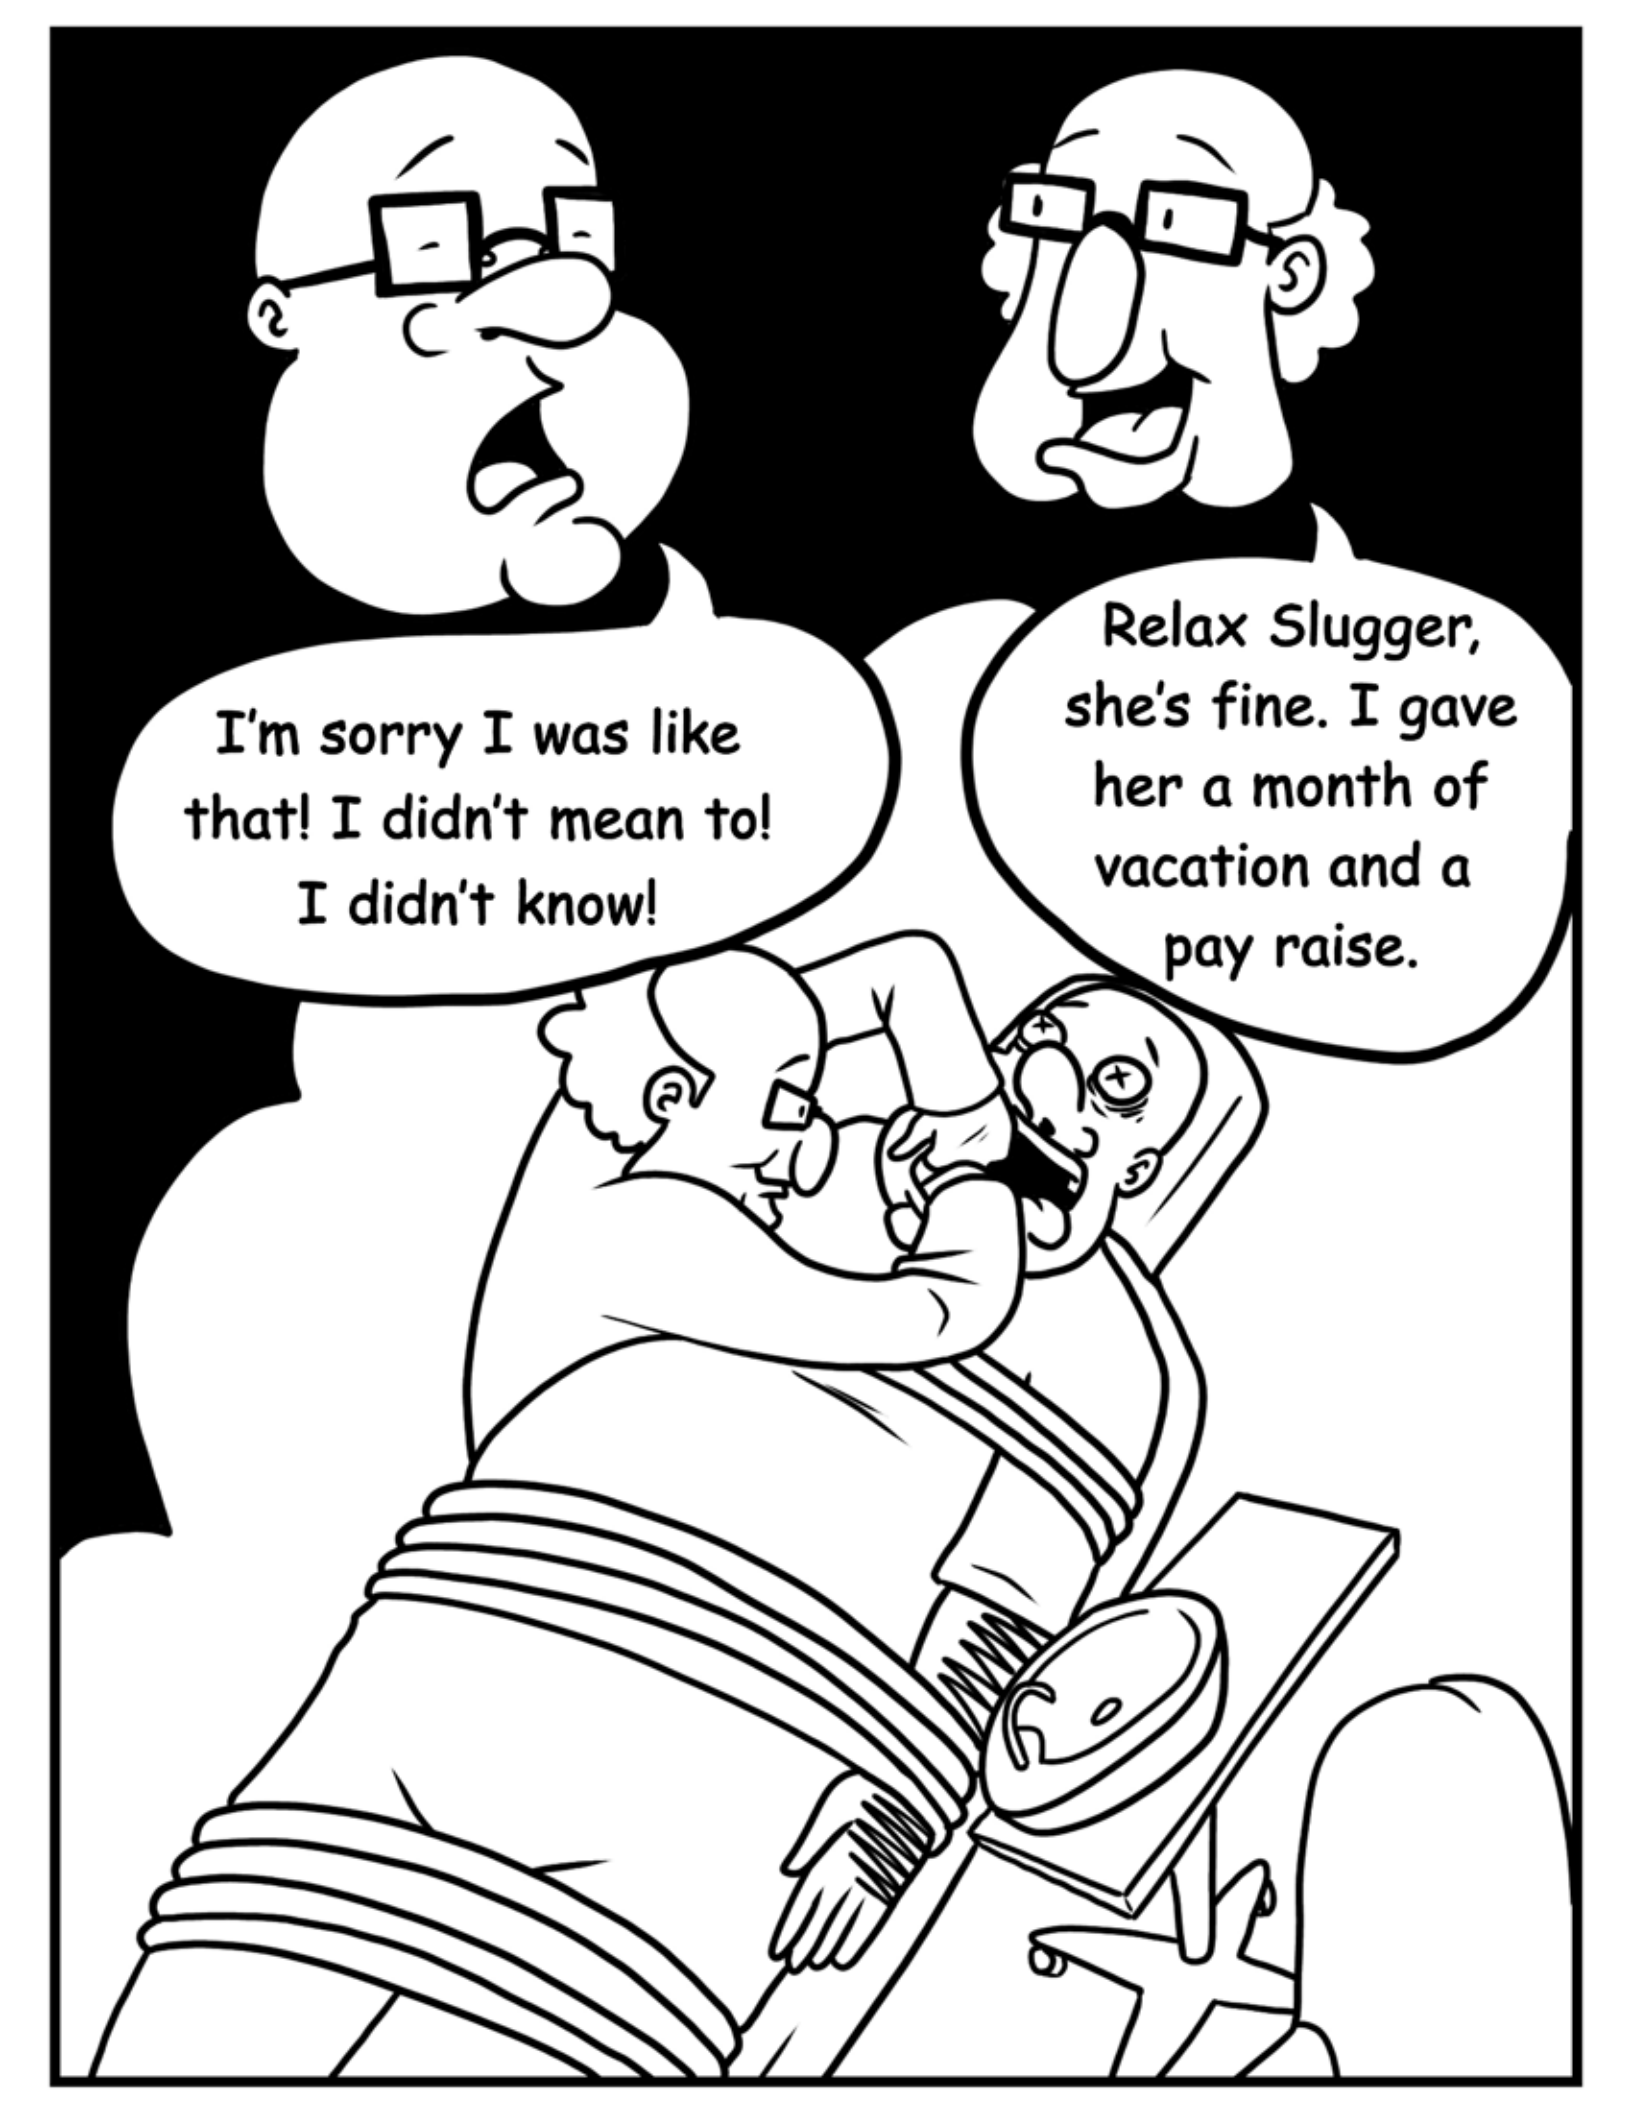

Oh no!
Did I
hurt her?!

I'll tell you what Slugger,
she knocked your lights out!!
ONE PUNCH!

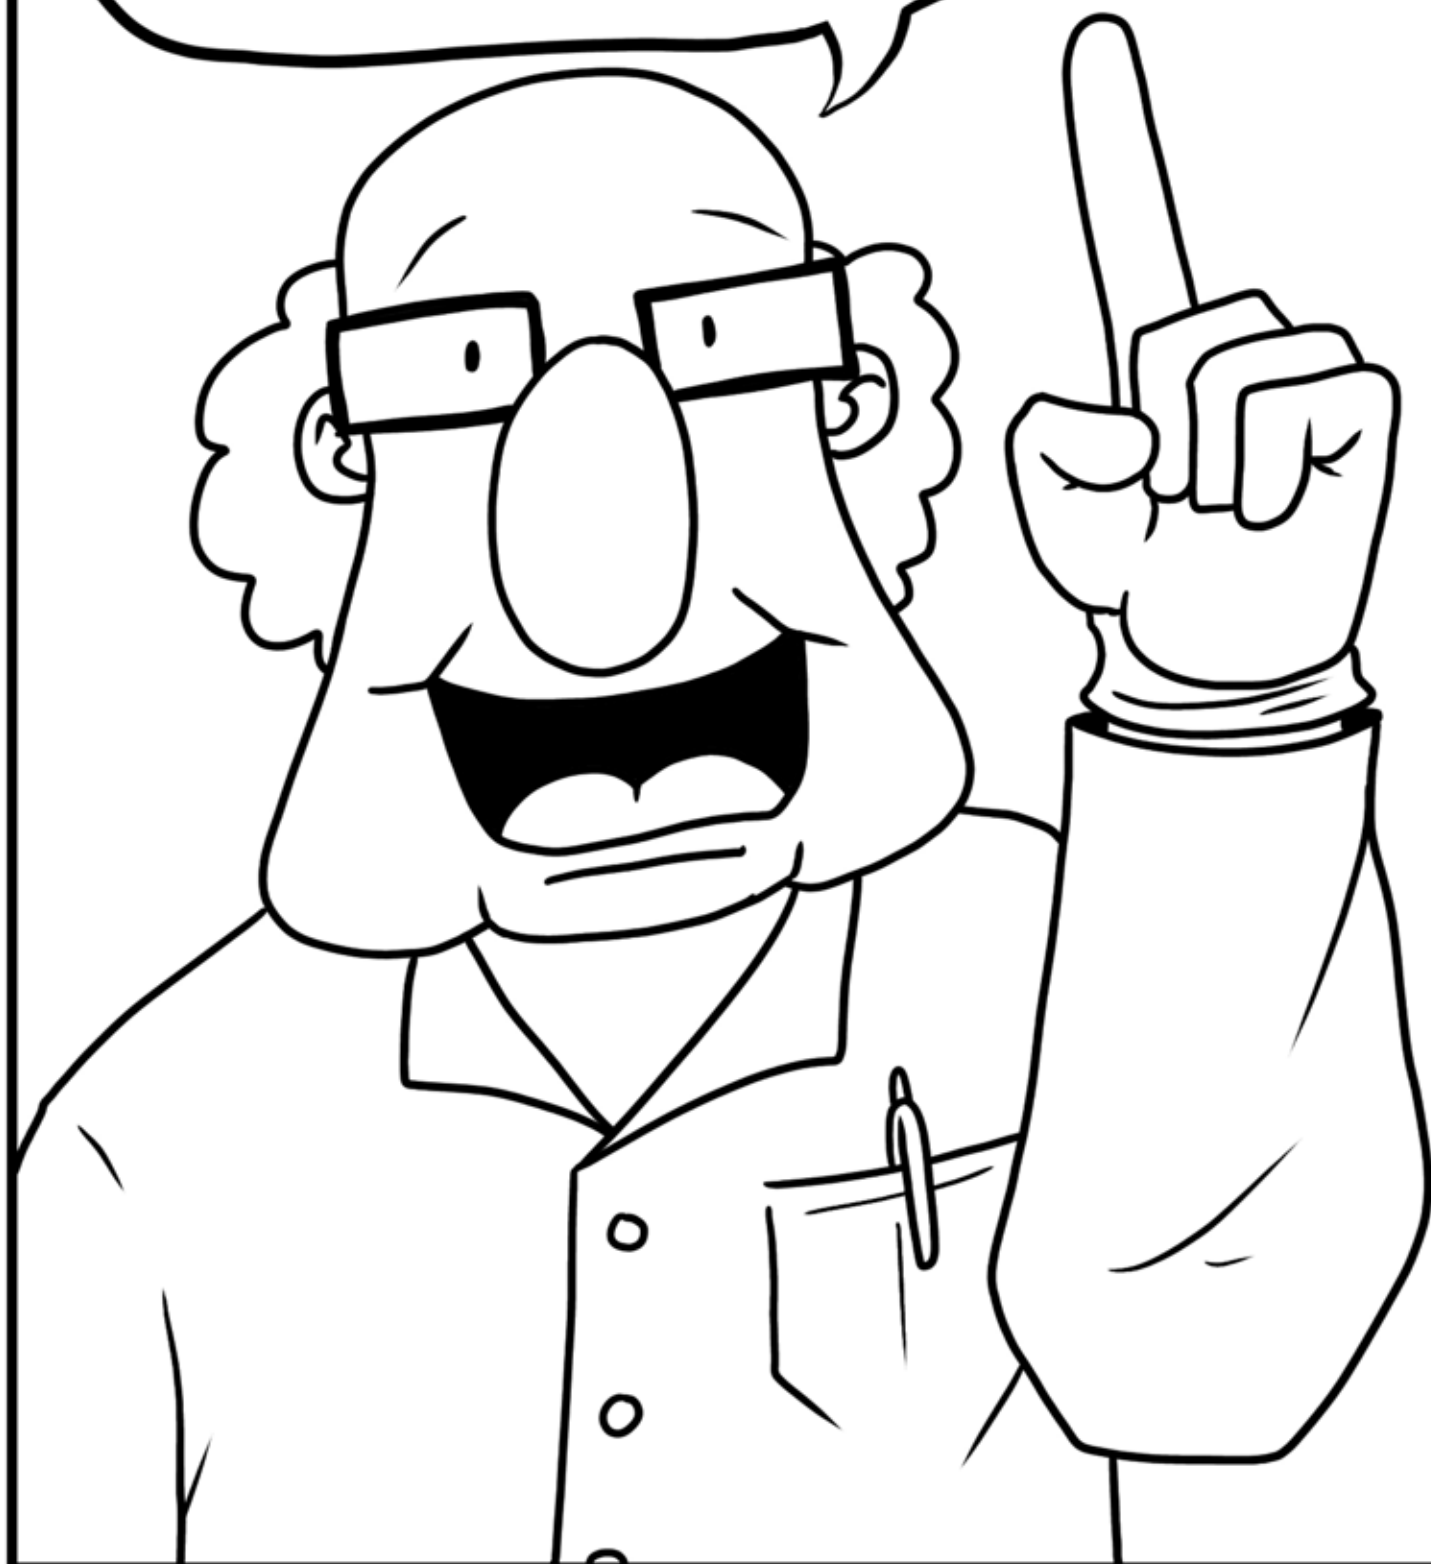

I'm sorry I was like that! I didn't mean to!
I didn't know!

Relax Slugger,
she's fine. I gave
her a month of
vacation and a
pay raise.

I'll be charging you double
for the procedure and for today's visit!

WHAT?!

I hope you've got a pocket full
of money, Slugger...

...or I'll let her knock all of
your teeth out and sell them!
