

WAFFLE MIX

Traditional Belgium Waffle Mix

Pancake Mix	1250gm
Water	1000gm

Place the water into a bowl and add the mix to this.

Using a hand whisk, blend these together, whisking until a smooth batter is produced (approximately 30 - 60 seconds).

Cook each waffle for 6 minutes. Cook at least 2 waffles.

Note: The first waffle may require cooking with the plates coated in oil to prevent the waffle sticking.
