

Marshall Alumnae Chapter Delta Sigma Theta Sorority, Inc.

HIV/AIDS AWARENESS MONTH Educate, Empower, Eradicate

A MESSAGE FROM THE MARSHALL ALUMNAE CHAPTER

As December comes to an end, remember December is a time to uplift awareness around HIV/AIDS, support those living with HIV, honor those we have lost, and strengthen our shared focus on prevention and fair access to care.

The Marshall Alumnae Chapter of Delta Sigma Theta Sorority, Inc. proudly joins this effort by promoting education, reducing stigma, and encouraging understanding within our community. Guided by our Five-Point Programmatic Thrust, especially Physical and Mental Health, we continue our commitment to advocacy and service.

THE FOCUS...

● Know Your Status

Helping our community stay informed through regular testing.

● Support and Stigma Reduction

Encouraging compassion in all spaces and conversations.

● Community Education

Sharing helpful, accurate information that supports prevention.

● Access to Care

Standing for fair and supportive healthcare resources.

Together, we move forward with unity, awareness, and care.
