

# The Performing Arts Council is proud to announce the annual Cactus Club Membership Drive for the 2017-2018 Season!

The **Cactus Club** is the heart of the performing community in Westbrook Village. Residents that love drama, music and dance support the PAC by joining **The Cactus Club**. Our generous donors contribute annually and at the level of their choice to guarantee that quality performances continue at the local level right here in our own community. This vital funding is also used for stage and technical improvements for lighting and sound that make our productions state-of-the art.
