

**Announcing the Annual
Performing Arts Council
"Cactus Club Membership Drive"
for the 2018-2019 Season!**

The **Cactus Club** is the heart of the performing arts community in Westbrook Village. Residents that love drama, music and dance support the **Performing Arts Council** by joining The Cactus Club each season.

Donors receive **FREE** tickets to PAC sponsored shows in return for their annual contribution.

These generous donations guarantee that quality performances continue at the local level right here in our own community. This vital funding is also used for stage and technical improvements for lighting and sound that make our productions state-of-the art.
