The Village Voices Return – Better Than Ever!

Spring is on the way and the Westbrook Village Voices are back in full force with a new spring production! After a hugely successful holiday concert last December, we took a short respite to spend quality time with our loved ones. Then, in early January, we hit the ground running to begin preparations and rehearsals for our 2022 annual spring concert.

To be sure, there are still challenges as we continue to find our way back to our usual activities. Your being here today energizes us and demonstrates the eagerness of performing arts supporters like you who are increasingly anxious to get back to their own leisure activities!

We are beyond thrilled to deliver our second production of the 2021-2022 season to you, our cherished and indispensable patrons. We hope you enjoy the show!

Keeping Up with the Westbrook Village Voices

The Westbrook Village Voices is celebrating its 29th season this year. We are an adult community choir who come together each week during the performing arts season to sing and have FUN! Each season we produce a holiday concert in December, and a spring concert in April featuring a wide assortment of vocal music. We also perform our shows at local senior living centers in the Peoria area as part of our mission to "bring joy and inspiration through music" to as many people as possible. Do you share our passion for music? As one of the four clubs allied with the Westbrook Village Performing Arts Council, the Village Voices is always looking to welcome new voices to our choir. Whether you are a seasoned vocalist, an aspiring songster or simply in search of a fun and rewarding pursuit, the Village Voices has a place for you. For more information, send Steve Houston an email at wbvillagevoices@gmail.com or call Steve at (480) 599-2127. We hope to hear from you!

SING-ALONG LYRICS

You Are My Sunshine

You are my sunshine, my only sunshine
You make me happy when skies are gray
You'll never know dear how much I love you
Please don't take my sunshine away
The other night dear, as I lay sleeping
I dreamed I held you in my arms,
But when I woke dear, I was mistaken
And I hung my head and I cried.

This Land is Your Land

This land is your land,
This land is my land
From California to the New York island
From the redwood forest to the Gulf Stream waters
This land was made for you and me.

God Bless America

God bless America, land that I love
Stand beside her and guide her
Through the night with the light from above
From the mountains, to the prairies
To the oceans white with foam
God bless America, my home sweet home.

I'm Looking Over a Four Leaf Clover

I'm looking over a four leaf clover
That I overlooked before
One leaf is sunshine, the second is rain
Third is the roses that grow in the lane
No need explaining, the one remaining
Is somebody I adore
I'm looking over a four leaf clover
That I overlooked before.
