2. Official Practice Days begin at safe light (30 minutes before sunrise) two (2) days prior to the tournament. Official practice means that any participant may not SOLICIT, RECEIVE, or GATHER any information via phone, electronic devices or any other means, about locating or catching fish on tournament waters unless that information comes from another participant other than using publicly-available information (newspaper and/or internet).
3. Participants shall not share with Day 2 partners spots provided to them by Day 1 partners.
4. Position on state team will be decided by counting points (100 point system) for each angler's best 3(three) tournaments. 100 points awarded for first place, 99 for second, etc. No points are awarded if no fish are caught. Ties are broken based on the criteria in the BASS Nation national rules. The best 3 (three) daily results count toward position on state team.
5. The minimum length rule shall be the prevalent rules for the location of the tournament. In any event, this minimum shall never be less than 12 inches.
