PAST PERFORMANCE CONTINUED

KEY CLIENTS

Ross Dress For Less, Rolling Hills Cemetery, Waldo Rose Storage, Ariana Construction, various local real estate investors, military service members from Travis Air Force Base & residential customers.

PAST PERFORMANCE

Rolling Hills Cemetery

When Rolling Hills Cemetery needed a manager's office cleaned out and the old furniture hauled away and also needed the new furniture to be assembled and set up, they made the right choice by using our services. The job was completed in less than one day and the manager was thrilled with her new office.

Waldo Rose Storage Facility

A storage unit full of Chuck-e-Cheese's arcade games was abandoned by the renter and Waldo Rose Storage made the right choice by utilizing us to haul the items away. It only took one phone call and we were there the same day to provide a quote. After getting approval from their corporate office, we showed up less than 24 hours later and had their unit empty and swept clean in less than 3 hours.

Ariana Construction

We frequently haul away construction debris for this client. They do a lot of kitchen remodels contracted through Lowes and we've consistently provided them with excellent service to clear their customer's property of the old tile, flooring, appliances, countertops, cabinets, & more.

Travis Air Force Base Service Members

Over the last few years, we've handled many jobs for the local military members in Fairfield, California. Everything from garage and backyard clean-outs, left over trash after a move, & even clearing out homes just prior to a deployment. Our service members know they can trust us to get the job done and frequently recommend us to their fellow veterans.
