TONY ALLEN'S
SCHOOL OF GOLF

YOUR JUNIOR HAS AN OPPORTUNITY TO LOWER SCORES & IMPROVE SKILLS!

WHAT IS IT?

Do you want a weekly practice program designed to help your junior improve their golf game? The Practice+ Program is perfect for anyone who wants a plan to real improvement and wants a guide along the way. Our team will work with your junior to assess their skills and make a clear plan to help them improve.

HOW DOES IT WORK?

They will attend a weekly group practice session to help them improve their skills! We will track progress throughout the semester. They will walk away knowing how to practice and which area of their game to focus on to get better.

THE OPERATION 36 MOBILE APP

Your junior will be invited to our community in the the Op 36 Mobile App. The app is designed to make it fun to play and practice and guide you on your journey. All their stats go back to their coach so they can help them break down areas of their game to focus on. Finally... a simple app that will help guide them on their improvement journey!

WE WILL PRACTICE

Learning to practice the right way is hard. We not only show them how to structure it, but everyone will walk away with personal education on how to improve.

THEY WILL MEET OTHERS

Your junior will meet other golfers of all skill levels working to improve their game. Group training will enhance their practice and make learning the game a fun experience.

WE WILL TRACK PROGRESS

We use the Operation 36 Mobile App to help everyone track progress and see improvement. This tool will be available to all participants to help guide them.
