

Jingletown Safety Meeting

Sunday, August 25, 2024

35+ neighbors came together to meet, greet, eat and discuss safety, upcoming events and ways for each of us to get and stay involved:

- **Personal Safety:** Carry whistles & flashlights. Observe a crime? Let them know by shining a flashlight or using an airhorn (when safe), share details on Slack & call 911 or police non-emergency as needed.
- **Stay in Touch:** Join Slack. Keep sharing email link or QR code to join Slack. Add yourself to the 7 channels and set up notifications so you know when new info is posted.
- **Contacts:** Help your neighbors maintain phone lists for texting. Keep sharing email link or QR code to join Slack.
- **Security Camera Map:** Please add yours to our master list or update your contact info. Use Slack to direct msg Cynthia Elliot with info. Want to recommend a favorite camera/app, post in Jingletown Slack (Channel: Neighborhood Watch)
- **Traffic Calming:** next project likely on Lancaster/Chapman. Want to help/suggest another location, post in Jingletown Slack (Channel: Neighborhood Solutions)
