

Uncover Forensics FORENSIC TRAINING

BIAS AWARENESS AND MITIGATION IN FRICTION RIDGE EXAMINATION

4-hour online, self-paced course

This course provides a basic overview of cognitive bias, what causes it and how to help mitigate it. The training includes the application of bias in relation to friction ridge examination, what increases the risk of bias in friction ridge examination and potential methods for minimizing those risks. Also covered are “debiasing” techniques, risk factors for cognitive bias, and methods for reducing the risk of cognitive bias.

Online, *ON-DEMAND* training Train where you want, when you want
