

Atwell Hill & Pease News In Plymouth, N.H., Record, 1970-74

Compiled by Art Pease, 2025

I have included here general Atwell Hill news, as well as that relating to the Pease, Randall & Sherburn families of Wentworth and East Orford. The Pease, Randall & Sherburn families all moved from Ellsworth, N.H., to the Ellsworth Hill area of Wentworth c.1860. There are also East Orford references which relate to Atwell Hill, showing the close connections between these two small sections of their respective towns. As these families 'spread out' to surrounding towns, I have followed the older generations.
