I may, here's my situation. Constant pain because of the bone spur ripping the tongue.....and it can't be filed down before the end of next month unless a cancelation happens AND I can arrange the ride.

Thank you for your interest in my opinion

Good Morning Ethan, This is Sara with Birch Street Dental Care. I am reaching out because Dr. Molby took a cancelation on Monday July 31st @ 2:30pm. I am wondering if you could get a ride and move your appointment up? -Birch Street Dental Care

.....
Thank you

I'll be in court all day....
.....

Okay, I will keep you in mind for another day then :) -Birch Street Dental Care

Thank you!

I managed to knock down the bone spur, and tissue is beginning to cover the exposed bone.

As to the scheduled appointment, I'm requesting the equipment to supply electrical current to a tooth to determine the health of the nerve be there for final determination.

If it's possible to reschedule a cleaning on your calendar, and open a cleaning spot for me, and schedule for me both cleaning and extraction we can get a good evaluation for a treatment plan for decaying teeth and degraded fillings.

Thank you!

Thank you, who should I ask for?

Also.... to better explain my dental condition it would be great for the person helping me to have access to a web browser....is this something that I can have cooperation with during the call?

Good Morning, you don't have to ask for anyone specific, anyone who answers the phone is able to help you and get you scheduled. 231-258-5395 -Birch Street Dental Care

Text of the August 19th 2023

It's the help I'm most interested in.....it will require some time to explain my situation.....

I expect to not be restricted from being open regarding my health, and oral health....

Again I'm asking will the staff have access to a web browser during the call.

Please call the office at your earliest convenience and we can discuss what it is you need to discuss. Or if you would like to speak with the Dr. we can schedule you with them. -Birch Street Dental Care

BIRCH STREET DENTAL: Ethan, please respond with C to confirm your appointment with Birch Street Dental Care for Thu, Aug 31st at 9:00 AM.

That's the goal, to have a phone call.

There has been a great deal of lack of communication. As such it's my position that straight answers to the 2 question.

1. WILL THE STAFF MEMBER THAT TAKE THE CALL HAVE ACCESS TO A WEB BROWSER DURING THE CALL.
2. WILL I BE RESTRICTED FROM SPEAKING OPENLY ABOUT MY ORAL HEALTH, AND WHAT I DO FOR PERSONAL AND PROFESSIONAL ORAL HEALTH CARE.

Additionally there is a far amount of related information that I hope to share with the office.

Thank you in advance for the cooperation requested!

Auto Reply from Birch Street Dental Care: Your message was received outside of our normal business hours, a member of our team will be in touch during our next business day

We have received your message and we are willing to discuss your oral health with you, as receptionists we cant really determine what is going on and you would need to be scheduled with the Dr. to discuss further. I will cancel this appointment for the extraction at this time and if you would like to have a consult with the Dr. please call and we can get that scheduled. 231-258-5395 -Birch Street Dental Care

I waited 5 weeks for emergency care.

My questions go unanswered, repeatedly, and then my appointment is canceled without justification.

During my emergency walk in appointment.....I received an emergency evaluation, and my insurance was used....yet was refused emergency treatment and was told to stop chewing tobacco and return in 2 week, yet no 2 week appointment was scheduled.

I am looking to hear from management with a scheduled call with the decision maker(s) at the earliest time

Management will contact you -Birch Street Dental Care

Please schedule a date and time for the call.

Cell service here is limited to wifi access....I stayed in wifi range all day Thursday....No missed call on Thursday or Friday.

Note: I walked in to Birch Street I was directly coming from DNC Mancellona, they take 2 emergencies per day, 14 were ahead of me when I 1st contacted DNC. After waiting 1 week for an emergency walk in appointment, and renting a car, when I arrived I was told no emergencies care will be provided today, only an emergency evaluation. So I declined, the insurance isn't going to pay and pay....I'm really in a spot.

This has become incredibly frustrating.

Monday the 11th at 4:00 pm expect my call and be prepared to answer for not having any record of the multiple times I paid for services at Birch Street Dental, then requiring me to do your job (completing your paperwork) and canceling my appointment that I was 10 minutes early for.

Note:

I have been to all dentists in Kalkaska over the years where services are denied...and because since 2015 all dentists (the world over) and the ADA refuse to acknowledge the scientific evidence of Gum Tissue Rejuvenation and Removal of and Prevention of Calcified Oral Plaque in hand and on full display @ www.oralhealthwithcannabis.com and United States Patent US 10,933,013 the people suffer while others profit.

The 8 years of oppression suppression international gang stalking regarding Oral Health With Cannabis has lead to a recent failed assassination attempt on my life.

At this point in time your office and all employees are alerted to Executive Order 13818 and the serious situation see: Section 1. (A) to be responsible for or complicit in, or to have directly or indirectly engaged in, serious human rights abuse.

**Executive Order 13818—
Blocking the Property of
Persons Involved in Serious
Human Rights Abuse or**

Corruption

December 20, 2017

By the authority vested in me as President by the Constitution and the laws of the United States of America, including the International Emergency Economic Powers Act (50 U.S.C. 1701 *et seq.*) (IEEPA), the National Emergencies Act (50 U.S.C. 1601 *et seq.*) (NEA), the Global Magnitsky Human Rights Accountability Act (Public Law 114-328) (the "Act"), section 212(f) of the Immigration and Nationality Act of 1952 (8 U.S.C. 1182(f)) (INA), and section 301 of title 3, United States Code,

I, Donald J. Trump, President of the United States of America, find that the prevalence and severity of human rights abuse and corruption that have their source, in whole or in substantial part, outside the United States, such as those committed or directed by persons listed in the Annex to this order, have reached such scope and gravity that they threaten the stability of international political and economic systems. Human rights abuse and corruption undermine the values that form an essential foundation of stable, secure, and functioning societies; have devastating impacts on

individuals; weaken democratic institutions; degrade the rule of law; perpetuate violent conflicts; facilitate the activities of dangerous persons; and undermine economic markets. The United States seeks to impose tangible and significant consequences on those who commit serious human rights abuse or engage in corruption, as well as to protect the financial system of the United States from abuse by these same persons.

I therefore determine that serious human rights abuse and corruption around the world constitute an unusual and extraordinary threat to the national security, foreign policy, and economy of the United States, and I hereby declare a national emergency to deal with that threat.

I hereby determine and order:

Section 1. (a) All property and interests in property that are in the United States, that hereafter come within the United States, or that are or hereafter come within the possession or control of any United States person of the following persons are blocked and may not be transferred, paid, exported, withdrawn, or otherwise dealt in:

(i) the persons listed in the Annex to this order;

(ii) any foreign person determined by the Secretary of the Treasury, in consultation with the Secretary of State and the Attorney General:

(A) to be responsible for or complicit in, or to have directly or indirectly engaged in, serious human rights abuse;

(B) to be a current or former government official, or a person acting for or on behalf of such an official, who is responsible for or complicit in, or has directly or indirectly engaged in:

(1) corruption, including the misappropriation of state assets, the expropriation of private assets for personal gain, corruption related to government contracts or the extraction of natural resources, or bribery; or

(2) the transfer or the facilitation of the transfer of the proceeds of corruption;

(C) to be or have been a leader or official of:

- (1) an entity, including any government entity, that has engaged in, or whose members have engaged in, any of the activities described in subsections (ii)(A), (ii)(B)(1), or (ii)(B)(2) of this section relating to the leader's or official's tenure; or
- (2) an entity whose property and interests in property are blocked pursuant to this order as a result of activities related to the leader's or official's tenure; or
- (D) to have attempted to engage in any of the activities described in subsections (ii)(A), (ii)(B)(1), or (ii)(B)(2) of this section; and
- (iii) any person determined by the Secretary of the Treasury, in consultation with the Secretary of State and the Attorney General:
 - (A) to have materially assisted, sponsored, or provided financial, material, or technological support for, or goods or services to or in support of:
 - (1) any activity described in subsections (ii)(A), (ii)(B)(1), or (ii)(B)(2) of this section that is conducted by a foreign person;
 - (2) any person whose property and interests in property are blocked pursuant to this order; or
 - (3) any entity, including any government entity, that has engaged in, or whose members have engaged in, any of the activities described in subsections (ii)(A), (ii)(B)(1), or (ii)(B)(2) of this section, where the activity is conducted by a foreign person;
 - (B) to be owned or controlled by, or to have acted or purported to act for or on behalf of, directly or indirectly, any person whose property and interests in property are blocked pursuant to this order; or
 - (C) to have attempted to engage in any of the activities described in subsections (iii)(A) or (B) of this section.
- (b) The prohibitions in subsection (a) of this section apply except to the extent provided by statutes, or in regulations, orders, directives, or licenses that may be issued pursuant to this order, and notwithstanding any

contract entered into or any license or permit granted before the effective date of this order.

Sec. 2. The unrestricted immigrant and nonimmigrant entry into the United States of aliens determined to meet one or more of the criteria in section 1 of this order would be detrimental to the interests of the United States, and the entry of such persons into the United States, as immigrants or nonimmigrants, is hereby suspended. Such persons shall be treated as persons covered by section 1 of Proclamation 8693 of July 24, 2011 (Suspension of Entry of Aliens Subject to United Nations Security Council Travel Bans and International Emergency Economic Powers Act Sanctions).

Sec. 3. I hereby determine that the making of donations of the types of articles specified in section 203(b)(2) of IEEPA (50 U.S.C. 1702(b)(2)) by, to, or for the benefit of any person whose property and interests in property are blocked pursuant to this order would seriously impair my ability to deal with the national emergency declared in this order, and I hereby prohibit such donations as provided by section 1 of this order.

Sec. 4. The prohibitions in section 1 include:

(a) the making of any contribution or provision of funds, goods, or services by, to, or for the benefit of any person whose property and interests in property are blocked pursuant to this order; and

(b) the receipt of any contribution or provision of funds, goods, or services from any such person.

Sec. 5. (a) Any transaction that evades or avoids, has the purpose of evading or avoiding, causes a violation of, or attempts to violate any of the prohibitions set forth in this order is prohibited.

(b) Any conspiracy formed to violate any of the prohibitions set forth in this order is prohibited.

Sec. 6. For the purposes of this order:

(a) the term "person" means an individual or entity;

(b) the term "entity" means a partnership, association, trust, joint venture, corporation, group, subgroup, or other organization; and

(c) the term "United States person" means any United States citizen, permanent resident alien, entity organized under the laws of the United States or any jurisdiction within the United States (including foreign branches), or any person in the United States.

Sec. 7. For those persons whose property and interests in property are blocked pursuant to this order who might have a constitutional presence in the United States, I find that because of the ability to transfer funds or other assets instantaneously, prior notice to such persons of measures to be taken pursuant to this order would render those measures ineffectual. I therefore determine that for these measures to be effective in addressing the national emergency declared in this order, there need be no prior notice of a listing or determination made pursuant to this order.

Sec. 8. The Secretary of the Treasury, in consultation with the Secretary of State, is hereby authorized to take such actions, including adopting rules and regulations, and to employ all powers granted to me by IEEPA and the Act as may be necessary to implement this order and section 1263(a) of the Act with respect to the determinations provided for therein. The Secretary of the Treasury may, consistent with applicable law, redelegate any of these functions to other officers and agencies of the United States. All agencies shall take all appropriate measures within their authority to implement this order.

Sec. 9. The Secretary of State is hereby authorized to take such actions, including adopting rules and regulations, and to employ all powers granted to me by IEEPA, the INA, and the Act as may be necessary to carry out section 2 of this order and, in consultation with the Secretary of the Treasury, the reporting requirement in section 1264(a) of the Act with respect to the reports provided for in section 1264(b)(2) of that Act. The Secretary of State may, consistent with applicable law, redelegate any of these functions to other officers and agencies of the United States consistent with applicable law.

Sec. 10. The Secretary of the Treasury, in consultation with the Secretary of State and the Attorney General, is hereby authorized to determine that circumstances no longer warrant the blocking of the property and interests in property of a person listed in the Annex to this order, and to take necessary action to give effect to that determination.

Sec. 11. The Secretary of the Treasury, in consultation with the Secretary of State, is hereby authorized to submit recurring and final reports to the Congress on the national emergency declared in this order, consistent with section 401(c) of the NEA (50 U.S.C. 1641(c)) and section 204(c) of IEEPA (50 U.S.C. 1703(c)).

Sec. 12. This order is effective at 12:01 a.m., Eastern Standard Time, December 21, 2017.

Sec. 13. This order is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.

For Dental Care Provider(s) for the Public

[It is the American Dental Association (ADA) that requires an ADA member be the one who recommends US PATENT 10,933,013 B1, as such this obligation for recommendation belongs exclusively to members of the ADA.

You have received Command Letter (EXHIBIT2) and this information because a standard of care and duty to provide the public the best services available has been suppressed by powerful forces for SEVEN (7) plus years. Currently there is no way forward with (the extremely hard won) US PATENT 10,933,013 B1 issued Mar. 2, 2021

Prevention and removal of Calcified Oral Plaques and Rejuvenation and or prevention of gum tissue loss for an herbal product oral rinse is extremely disruptive for industries, Dental, Medical, and Pharma.

Science had given up on Gum Tissue Rejuvenation as it was written in the United States National Library of Medicine (“If you have lost Gum Tissue it is gone forever and not coming back”)

Because of FEAR as from May 2016 to date, No Dentist, No Medical Provider, No Politician, No Attorney, No Investor, No Cannabis Business, No Cannabis Researcher, No Researcher, No Reporter, No Truther will act responsibly in said matter because they all FEAR Government and or industry Retaliation or attacks [with 2 exceptions noted***] **AND thus the Public has needlessly suffered HARMs for poor Oral Health, as for the average 15 Million Root Canal Procedures Annually in America primarily caused from preventable tooth decay caused in large part from PREVENTABLE ORAL PLAQUES causing tooth decay gum tissue loss.**

This situation Making for Cowards that allowed this bad behavior to go on requires action to STOP AND CORRECT.

The Crimes Local, National, and International are numerous, for Trespass, many for Treason. Knowledge of a crime and not reporting the crime is a crime. Aiding and abetting a crime is a Crime.

With a United States Patent ISSUED MARCH 2nd 2021, and DOCUMENTED for DENTAL OFFICE THE EFFICACY from 2015 there has been no way forward to date, the Government and Private Member Association oppression prevents the advancements in Oral Health, and obstruct the rights to industry for US PATENT 10,933,013 B1 issued Mar. 2, 2021, as such the People are working for countability for these matters.

NOTE: ***

The dentist that was so impressed and wanted clinical trials conducted the time period of the Raids has been silent since THE INVENTORS Arrest May 2016.

The Canadian/Jamaican business that committed to further research, product development and marketing back in 2017 basically had their businesses destroyed 2018 through 2019 and into 2020 by the United States, first with freezing their banking, then later there was problem after problem with the Jamaican Licensing Authority.]
