

Wild Horse Ranch – Vegetation Survey 2020

**Skunkbush Sumac – Wyoming Big Sagebrush**

Other species present include grey rabbitbrush, fringed sage, sulfur-flower buckwheat, prickly pear cactus, and perennial grasses.

**Black Sagebrush – Needle-and-Thread**

Other species present include spiny phlox, yellow rabbitbrush, scarlet globemallow, and other perennial grasses.

**Western Wheatgrass – Prickly Pear Cactus**

Other species present include winterfat, broom snakeweed, and yellow rabbitbrush.

**Threadleaf Sedge – Western Wheatgrass**

Other species present include blue grama, winterfat, spiny phlox, and needle-and-thread.

### **Greasewood – Forb**

Other species include a diversity of salt tolerant forbs and western wheatgrass.

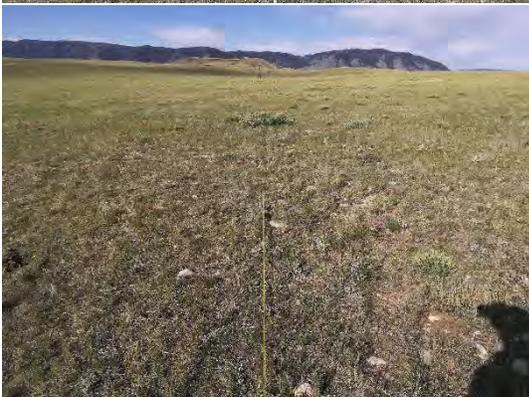

### **Winterfat – Grey Rabbitbrush – Deathcamas**

Other species include yellow rabbitbrush, indian ricegrass, western wheatgrass, blue grama, and threadleaf sedge.

### **Blue Grama – Needle-and-Thread**

Other species include fringed sage, Sandberg's bluegrass, prairie junegrass, indian ricegrass, grey rabbitbrush, and scarlet globemallow.

### **Bluebunch Wheatgrass – Needle-and-Thread – Prairie Junegrass**

Other species include yucca, black sagebrush, spiny phlox, broom snakeweed, hairy goldenaster, and prickly pear cactus.

**Bluebunch Wheatgrass – Black Sagebrush –  
Cheatgrass**

Other species include threadleaf sedge, grey rabbitbrush, mutton bluegrass, prairie junegrass, and yellow rabbitbrush.

**Basin Wildrye – Green Needlegrass – Lupine**

Other species include king spike fescue and Wyoming big sagebrush.

**Alkali Sacaton – Inland Saltgrass**

Other species include blue grama, threadleaf sedge, deathcamas, prickly pear cactus, and yellow rabbitbrush. Greasewood nearby but not in the plot.

**Bluebunch wheatgrass – Skunkbush Sumac – Yucca**

Other species include multiple cushion plant species, indian ricegrass, needle-and-thread, prairie junegrass, Fendler's threeawn, threadleaf sedge, and prickly pear cactus.

**Sandberg's Bluegrass – Prairie Junegrass – Needle-and-thread**

Other species include spiny phlox, blue grama, grey rabbitbrush, prickly pear cactus, fringed sage, and sulfur-flower buckwheat.

**Wet Meadow**

Species include creeping meadow foxtail, rushes (*Juncus*), alkali sacaton, alkali plantain, other perennial grasses, and potentially some weedy species due to the moist environment.
