SAFETY RULES

All players/participants must read and sign the waiver.

DO NOT TRY TO CATCH AN AXE! If an axe bounces back from the target, quickly step backward and to the side in your lane. **DO NOT** point or gesture with the axe.

Only one axe is thrown at a time in the lane. Whether it sticks or not, retrieve the axe that is thrown before starting another turn.

There is only one person in a lane at any time. Do not enter the lane until it is completely cleared. If you are not throwing, you must remain behind the fenced area at all times.

Do not remove an axe from the throwing area. All axes must remain in the throwing area at all times.

Do not touch or grab the fence, either in the spectator area, or when picking up an axe off the ground.

Handing off an axe might take your hand off! Do not hand another player an axe. When done throwing, replace your axe and exit the area. The next player can then select their own axe when entering.

Closed-toed shoes are required.

Be alert and free from the influence of any substances, including alcohol.
