

MENDENHALL LOOP ROAD

EGAN DRIVE TO STEPHEN RICHARDS MEMORIAL DRIVE
RESURFACING

AUGUST 2022
CONSTRUCTION

PROJECT DESCRIPTION

The Alaska Department of Transportation in cooperation with Secon, Inc., is working to repave Mendenhall Loop Road from the Egan Drive/Mendenhall Loop Road intersection to Trinity Drive. Project work includes minor structural improvements, replacement of a fish culvert, ADA improvements, traffic markings, and signage.

For the month of August, Secon will be scheduling night work (please check the website for dates) for milling and paving. Secon will be operating a milling machine, paver, roller, skid steer, 10-yard and 20-yard dump trucks from the Egan Drive/Mendenhall Loop intersection to Stephen Richards Drive between the hours of 7:00 PM and 7:00 AM. During night work, there will be single-lane road closures and flagging operations. Notices will be distributed prior to work commencing. This is weather permitting and subject to change.

WORKZONE REMINDERS

Motorists should expect slight delays in the flow of traffic. Pedestrians and bicyclists should look for sidewalk detours. The construction contractor, Secon, will work to accommodate all road users. Traffic conditions and the construction schedule will be updated regularly on the project website.

As a reminder: Please use caution when traveling in work zones. Watch for and follow direction from construction signs and flaggers when present throughout the construction zone.

Visit the project website for more details.

2-HOUR STREET CLOSURES PLANNED FOR:

- Atlin Drive
- Kodzoff Acres
- Cinema Drive
