Hello Martha

This is Deana McMullen, City Secretary for the City of Aledo.

I have a question for you and hope that you can help us.

We are getting ready for a Home Rule Charter Election (on the November 2, 2021 Ballot) and we need to mail a copy of the document in both English and Spanish to each registered voter in the City.

I believe that we have around 3,000 registered voters. The document(s) are around 43 pages long. I will get you the exact number.

Would you all be able to do this for us?? We of course will provide the list of voters to you as soon as we get it from the County.

Please advise.

Thank you!

Deana Mc Mullen, TRMC

Subject: RE: Aledo Home Rule Charter

Deana,

I was referring to the word imitative on the PDF file page number 25 (page 19 from the documents). The last word of the first sentence at the top is highlighted and says imitative. I have changed it to initiative. The one you mentioned below wasn't highlighted on the document you provided but I have changed it as well!

Charter or on any topic that a court of competent jurisdiction has held to be not subject to **initiative**. Within thirty (30) days after the final adoption or publication, whichever date is later, of any ordinance that is subject to referendum, a petition, signed by registered voters of the city equal in number to at least twenty percent (20%) of the number of registered voters residing in the City at the time of the last regular City election, may be filed with the City Secretary requesting that any such ordinance be either repealed or submitted to a vote of the people. When such a petition has been certified as sufficient by the City Secretary, the ordinance so specified in the petition shall not go into effect, or further action thereunder shall be suspended if it shall have gone into effect, until and unless it is approved by the voters as herein provided.

Section 10.03 Form of Petition for Initiative and Referendum

All petition papers circulated for the purpose of an initiative or referendum shall be uniform in size and style. Initiative petition papers shall contain the full text of the proposed ordinance. The signatures to initiative and referendum petitions need not all be appended to one paper, but to each separate paper there shall be attached a statement of the circulator that they personally circulated the foregoing paper, that all the signatures appended thereto were made in their presence, and that they believe them to be the genuine signatures of the persons whose names they purport to be. Each signer of any such petition shall sign their name as required by the Texas Election Code.

Section 10.04 Filing, Examination and Certification of Petitions

All papers comprising a petition for initiative or referendum shall be assembled and filed with the City Secretary as one instrument. Within thirty (30) days after the petition is filed, the City Secretary shall determine whether each paper of the petition has a proper statement of the circulator and whether the petition has been signed by a sufficient number of qualified electors and shall hold any petition paper entirely invalid that does not have attached thereto the statement signed by the circulator thereof. The City Secretary shall certify the result of this examination to the Council at its next regular meeting. If the City Secretary certifies that the petition is insufficient, the certificate shall specify the particulars in which it is defective and shall at once notify in writing the person filing the petition of this finding. A petition may be amended by filing a supplementary petition at any time within ten (10) days after a notice of insufficiency has been sent by the City Secretary. In such event, the same procedures shall then be followed by the City Secretary and Council as in the case of the original petition for the same purpose.

Section 10.05 Council Consideration and Submission to Voters

A. When the Council receives an authorized initiative petition, certified by the City Secretary to be sufficient, the Council shall either: (a) pass the initiated ordinance without amendment within thirty (30) days after the date of the certification to the Council; or (b) submit the initiated ordinance without amendment to a vote of the

I believe it looks good now!! 😊

Hello Martha

Thank you so much for your help!

The one word you referred to is on page 18, section 10.01 Power of Initiative. On the 5th line the very last word of that sentence is spelled wrong. It is spelled as imitative and should be initiative.

Everything else looks great.

Thank you!!

The highlighted errors have been fixed, except for the one on page 25 (imitative). I am not sure what word you were wanting to use, since that is the word on the original scanned documents you provided. Other than that I believe everything else is correct!
