Step 2: Measure and Cut the Fabric

1. Measure your pet's neck to determine the size of the bandana. Add 2-3 inches for tying or fastening.
2. Cut a triangle or square shape from the fabric. For a square, fold it diagonally to create a triangle.

Step 3: Prepare for Embroidery

1. Hoop the fabric with stabilizer, ensuring it's taut and smooth.
2. Load your embroidery design onto the machine and center it on the fabric.

Step 4: Embroider the Design

1. Stitch out the design, ensuring it fits well within the bandana's dimensions.
2. Once completed, carefully trim away the excess stabilizer.

Step 5: Sew the Edges

1. Fold and press the edges of the bandana for a clean finish. Use a 1/4-inch hem.
2. Sew the hem with your sewing machine, ensuring all raw edges are enclosed.
