# YOU'VE HIT THE WALL.

My wall, in fact.

**Welcome!**

**I see ART as IMPACT and IMPACT as ART.**

**A design – for a reason or not.**

**A texture, a shape, a color - *or not.***

**A visual that creates an IMPACT.**

**My enjoyment is visual expression - uninhibited.**

**My satisfaction...is when there is an IMPACT.**

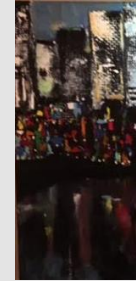

**I hope you feel it!**

**Thanks for visiting!**
