The Breakdown

Dealership Pricing

We measure by Unit Days.
Everytime 1 product (unit) is rented for one day that is a Unit Day.

Example:

- When one unit is rented out for 2 days that's 2 unit days.
- When 2 units are rented for 2 days, that's 4 unit days.

Everyone gets paid based on unit days.

\$

The average price of each rental made by your signed hosts.

X

1%

Which is your share of revenue created from the Hosts unit days.

X

#

Of Unit Days in total that your dealerships have for their Hosts.

Why OutdoorShare LLC?

We are the only "all inclusive" outdoor recreational equipment rental platform. With OutdoorShare LLC, you can rent equipment for a group of outdoor activities, and enjoy the entire outdoors.

You can rent out a Side by Side, a Camp Trailer, even a Motorhome or a Boat! If you need a Truck to tow the equipment we even rent a variety of trucks.

When you rent an RV or a camper, what adventures will keep you busy while you're camping? At OutdoorShare LLC, you can actually combine any of our rental products with any other, so you can enjoy everything the outdoors has to offer.

Have more options & more fun with OutdoorShare LLC
