# The Breakdown

Destination Pricing

We measure by Unit Days.  
Everytime 1 product (unit) is  
rented for one day that is a Unit  
Day.

Example:

- When one unit is rented out  
for 2 days that's 2 unit days.
- When 2 units are rented for  
2 days, that's 4 unit days.

Everyone gets paid based on  
unit days.

\$

The price of  
each rental.

X

**1%**

Which is your share  
of revenue created  
from the Renters  
total (per day) bill.

X

## Why OutdoorShare LLC?

We are the only "all inclusive" outdoor recreational equipment rental platform. With OutdoorShare LLC, you can rent equipment for a group of outdoor activities, and enjoy the entire outdoors.

You can rent out a Side by Side, a Camp Trailer, even a Motorhome or a Boat! If you need a Truck to tow the equipment we even rent a variety of trucks.

When you rent an RV or a camper, what adventures will keep you busy while you're camping? At OutdoorShare LLC, you can actually combine any of our rental products with any other, so you can enjoy everything the outdoors has to offer.

Have more options & more fun with OutdoorShare LLC
