

KA'A HARMONY FOUNDATION gUG

Support by Bank Transfer

A simple, direct way to give (with a tax-deductible donation certificate for larger amounts)

Indigenous and ribeirinho (riverside) communities protect 80% of the Amazon's remaining biodiversity, yet receive less than 1% of global climate funding. Your bank transfer directly supports women-led conservation and community-based initiatives across the Amazon, implemented through trusted local partners.

Bank Details

Account Holder	Ka'a Harmony Foundation gUG (haftungsbeschränkt)
Address	Buttmannstraße 7A, 13357 Berlin, Germany
IBAN	DE91 1001 0123 5179 5077 12
BIC	QNTODEB2XXX

Please include your name and email in the transfer reference, so we can confirm your gift and send a certificate if applicable.

Tax Deductibility

Ka'a Harmony is a registered nonprofit (gUG) in Germany. Donations above €300 receive an official Zuwendungsbestätigung (donation certificate), which can be used for tax deduction purposes. For smaller donations, your bank transfer receipt already serves as valid proof for German tax purposes.

Other Ways to Give
