

2025-2026 School AED Grant Application

To be considered for this grant, please submit a proposal on your school's letterhead that includes the following information:

1. School Name and Address. Also include the name of your School District.
2. CPR/AED Certification
 - How many youth are enrolled in your school?
 - How many faculty and staff members are CPR/AED certified?
3. Current AED Inventory
 - How many AED units does your school currently have?
 - What brand and mode of AED's do you currently have, if any?
 - If awarded will this AED replace another one?
 - Will you need a wall mount cabinet?
4. MI HEARTSafe Certification
 - Is your school MI HEARTSafe? All MI HEARTSafe schools are given consideration over non-certified schools. To become certified please ask us for information.
5. Monthly AED Monitoring
 - Who in your organization will be responsible for performing monthly AED checks and reporting via email?
6. Acknowledgment

I understand that if we are awarded this grant and receive an AED, it is our responsibility to replace the pads and batteries if they are used or expire. I also understand that if the AED is not kept in good working order, the London Strong Foundation reserves the right to reclaim the unit.

Authorized Representative Name (Print): _____

Title: _____ Date: _____
