The proceeds from this event will benefit London Strong Foundation. This Foundation was created in memory of London Eisenbeis who passed away from Long QT and other heart related conditions in order to save lives. Stressing the importance of heart screenings for children and emphasizing the importance of CPR/AED training. With the help of you we are able to place AEDs throughout the community in an effort to save lives. London had a love of animals, especially cats, so the foundation will also make small charitable donations to pet rescues.
