Why Choose Select Distributions?

Quality Assurance: We source products from trusted brands and suppliers, ensuring healthy choices, top freshness, taste, and quality.

Latest Technology: Our vending machines offer the latest technology for inventory tracking and product delivery. This helps ensure machines are kept well stocked and issue free for the customer.

Seamless Integration: Our display units integrate seamlessly into your professional setting, offering flexible placement options along with hassle-free maintenance, and ease of use.

Revenue Generation: Enjoy competitive commission-based rates with our regular restocking services to maximize your profitability and time savings. Programs are customizable to best fit your needs!

Customer Satisfaction: Enhance customer and employee satisfaction with convenient access to high-quality products and customer service support. Our goal is to offer an enjoyable experience for everyone.

Diverse Product Selection: From traditional snacks to healthy options, refreshing beverages, and trendy merchandise, our vending machines will offer something for everyone. We can customize our inventory, include your products, and offer advertising space!

NEXT STEPS

- 1. Implementation Date Selection:** Choose your preferred start date. Please note that vending machines typically take between 4-6 weeks to arrive, though delivery may occur sooner in some cases.
- 2. Agreement Review and Signing:** Address any remaining questions and finalize the agreement to ensure clarity and mutual understanding.
- 3. Vending Unit Delivery:** Benefit from professional installation and initial stocking of your new vending unit for seamless integration into your space.
- 4. Ongoing Monitoring and Optimization:** Continuously monitor inventory levels and sales performance to ensure accuracy and refine product selection for optimal customer satisfaction.
