

Clean in/out station to control milfoil and other invasive species

Community

- Advocate for our members and lake shore property owners.
- Actively participate & support community events such as Freedom Fest, Pine County Fair & Parade.
- Host events for members and non-members to come together and fostering a sense of community.

Education

- Semi-annual membership meetings with keynote speakers.
- Crossings Newsletter containing informative articles related to water quality and lake shore management.
- Communications to members related to legislative, safety, situational and environmental awareness.

Secchi Disk water testing is done every couple weeks to test water clarity

2025 Annual Membership Registration

OUR MISSION....

To promote, educate and improve the understanding and comprehensive management of Cross Lake and its watershed.

Visit us at:

crosslakeassociation.org

WHAT WE DO....

Water Quality

- Stewards of the Cross Lake /Snake River of Pine County watershed.
- Coordinate AIS surveying & permits for spraying.
- Facilitate water testing & monitoring.
- Monitor for aquatic invasive species.
- Champion projects related to water quality and shoreline management.
- Secure and raise funds for initiatives requiring capital.
