

Rain Barrels On Sale!

Reduced rate for waterfront owners on Pokegama Lake, Cross Lake, and the Snake River within Pine County

Pine County is partnering with the Snake River Watershed Management Board and Recycling Association of Minnesota to provide rain barrels at a reduced rate (now \$24, typically \$90). Supplies are limited, so act fast!

Orders must be received by 4:30pm on **Friday, April 28th, 2023.**

Why Collect Rain Water?

Roofs concentrate rain water, expediting “runoff” and transportation of sediment from lawns, which can cause pollution, particularly for homes near storm sewers, lakes, wetlands, and streams. Additionally, clean water is an increasingly precious commodity. Capturing rain water for slower release to lawns or gardens can save water resources.

Orders can be picked up at the Pine County Household Hazardous Waste Facility (405 Airport Rd, Pine City).

Anticipated Pick-Up Times:

Pine City: May 3, 2023 - May 5, 2023 Noon-4:30pm. Morning pick-up can be arranged by appointment only

cut along line and return to 1610 Hwy 23N, Sandstone, MN 55702 or email to erin.hoxsie@co.pine.mn.us
