

July 21, 2022

We as the committee members in the 51st House District of the Fayette County Republican Committee,

Passed a resolution urging the Department of State to certify the election results in Fayette County for the Primary of 2022.

We will have a vacancy in the 51st House District.

We met July 21, 2022 to select a replacement nominee however given uncertainty and possible legal ramification we unanimously voted to postpone the vote.

Every day that goes by, the voters of Fayette County are disenfranchised and we ask that the issue be resolved quickly so the people of Fayette County have a choice in the November election.
