Morongo Basin**

Congratulations to our CYIA graduates!

These young ladies were recipients of a grant from the Anderson Children's Foundation, making it possible for them to attend *Christian Youth In Action*. This is a week-long, intensive but rewarding, training. They learned how to teach a Bible Lesson, Memory Verse, Missionary story, and how to facilitate a *5-Day Club*. They took what they learned and put it into action. These youth helped at five *5-Day Clubs*, ministering to young children in their very own community.

Reaching the children in our community!

5-Day Club is the summer outreach ministry of Child Evangelism Fellowship (CEF). Our volunteers travel to different locations throughout our chapter to meet with the children for 5 consecutive days. We are privileged to bring the Good News of Jesus Christ to these little ones and offer them the opportunity to receive Christ as their own personal Lord and Savior. This summer, we were invited by **6 hosts** and we were able to reach **over 100 children**, with **28 of them professing faith in Jesus!**

The United States Constitution requires schools respect the right of all external organizations to distribute flyers to students at school if the school permits any such organization to distribute flyers. Accordingly, the school cannot discriminate among groups wishing to distribute flyers at school and does not endorse the content of any flyers distributed at school. The school encourages parents to assist their children in making choices appropriate for them. This is not an activity of the school or school district.
