>>> CHRISTIAN YOUTH IN ACTION

INVESTING IN THE NEXT GENERATION

These young ladies were recipients of a grant from the Anderson Children's Foundation, making it possible for them to attend *Christian Youth In Action*. This is a week-long, intensive but rewarding, training. They learned how to teach a Bible Lesson, Memory Verse, Missionary story, and how to facilitate a *5-Day Club*. These youth helped at five *5-Day Clubs*, ministering to young children in their very own community.

>>> GO & TELL

CHILDREN REACHING CHILDREN

We were privileged to train these precious children and equip them with the tools to confidently share their faith. Over the course of 3 days we taught 14 children how to use the colors of the Wordless Book to share the Gospel message with others.

We demonstrated what it would look like to share with a friend, and then they partnered with a peer to practice sharing the Good News. Each child was prayed over individually by name, and they were challenged to make a list of 10 people they want to share the Gospel with. They all made a commitment to "Go and Tell!"

>>> 5-DAY CLUBS

OVER 100 CHILDREN REACHED!

5-Day Club is the summer outreach ministry of Child Evangelism Fellowship (CEF). We are privileged to bring the Good News of Jesus Christ to these little ones and offer them the opportunity to receive Christ as their own personal Lord and Savior. This summer, we were invited by **6 hosts** and we were able to reach **over 100 children**, with **28 of them professing faith in Jesus!**

Thank you to our hosts...29 Palms Marine Base, River of Life (Indio), Coachella Valley Rescue Mission (Indio), Trinity Baptist Church (Indio), Iglesia Manantial (DHS), The Spring (DHS)
