

Displaying Your Art at Our On-going Venues

INSTRUCTIONS AND INFORMATION

Please read entire information

- All artwork must be framed or be on gallery grade canvas, and wired (no sawtooth) ready to hang.
- No glass is allowed, plexiglass is preferred.
- Giclées are welcomed but must be noted on label.
- All work requires the newest venue label adhered to the back which includes; name, title of piece, medium, price and phone number. Wall labels will be provided for you from this information. Please fill out a second label for the curator.
- Always notify the curator when you sell a painting. They will advise you on your next step.
- You will be notified by email on when a change-out will occur.
- \$10 will be collected at the start of a change-out and will expire when a new change-out occurs, on or about 6 months. (If you sell a piece during that time and rehang a painting you will not be charged again)

*Please read additional information below for each venue.
