Summer 2021

What's Been Happening

We had our last membership meeting for the year this past May 12th. We had 26 members and guests. President, Diane Raymond presided over the meeting and the scholarship recipients gave a presentation. (See page 2)

The board was delighted to recognize 4 members who went above and beyond with service to PCAA and Diane presented them with certificates of Appreciation. The recipients were: Connie Murgolo, Betty Brain, Betty Mulholland, and Carol Rohde (not present).

FYI If anyone is interested in purchasing a history book (as seen on the website) for themselves, please contact Ruthann Hewson.

At the present time we have 80 members, a little less than last year, but considering the uncertainty of the year, it was well accepted. We hope to be stronger and better next year. Attached at the end of this newsletter is the membership form. If you have not yet paid your dues, please do so. Please use the renewal Membership Form when paying your dues this year. We updated the form and included a space for you to let us know the year you joined.

Meet the 2021 Scholarship recipients

Betty Mulholland reported that this year's scholarship committee was faced with obstacles in light of Covid 19 restrictions for in person interviews. But everyone was flexible and they were able to conduct some interviews virtually. She introduced the Scholarship recipients at our last membership meeting on May 12, 2021. The recipients displayed their artwork and gave a presentation.

Cassidy Bean from Jensen Beach High School, who will study Fashion Design at Parsons School of Design in NYC, (she won the Jane Ejan Blatt Scholarship)

Meriam Howard, from South Fork High School will go to IRSC Art & Design.

Rianna Lepak will be going to SCAD in the fall for Digital Animation and she was from Clark Learning Center.
